1. Powers, Functions and Objectives of the Regulator

(1) The Regulator has such functions and powers as are conferred on it by or under the ADGM Founding Law and any enactment, including these Regulations.

(2) The Regulator may do whatever it considers necessary for or in connection with, or reasonably incidental to, performing its functions and exercising its powers.

(3) In performing its functions and exercising its powers, the Regulator shall pursue the following objectives—

(a) to foster and maintain fairness, transparency and efficiency in the Abu Dhabi Global Market;

(b) to foster and maintain confidence in the Abu Dhabi Global Market;

(c) to ensure that the financial markets in the Abu Dhabi Global Market are supported by safe and efficient infrastructure;

(h) to promote public understanding of the regulation of the Abu Dhabi Global Market;

(i) to further the interests of the Abu Dhabi Global Market;

(j) to promote the safety and soundness of Authorised Persons and Recognised Bodies; and
to pursue any other objectives as the Board may set.

In exercising its powers and performing its functions, the Regulator shall take into consideration the following guiding principles—

(a) pursuing the objectives of the Abu Dhabi Global Market in so far as it is appropriate and proper for the Regulator to do so;
(b) fostering the development of the Abu Dhabi Global Market as an internationally respected financial centre, and the desirability of sustainable growth in the economy of the Emirate of Abu Dhabi;

(g) the need to use the resources of the Regulator in the most efficient and economical way;

(i) the desirability where appropriate of the Regulator exercising its functions in a way that recognises differences in the nature, risks and objectives of businesses carried on by different persons subject to requirements imposed by or under these Regulations;
(j) the desirability in appropriate cases of the Regulator publishing information relating to persons on whom requirements are imposed by or under these Regulations, or requiring such persons to publish information, as a means of contributing to the advancement by the Regulator of its objectives;

(l) complying with relevant generally accepted principles of good governance.

2. The Chief Executive

Pursuant to the ADGM Founding Law, the Board shall appoint, remove and replace the head of the management of the Regulator.

The head of the management of the Regulator shall have the title of Chief Executive.
(3) The Board must only remove or replace the Chief Executive when the Board and the Chairman of the Regulatory Committee agree that there is Just Cause for such removal or replacement.

**Part 2 Rules and Guidance**

**Chapter 1 Rule-making Powers**

3. **General rule-making power of the Regulator**

(1) The Regulator may make Rules for carrying out the purposes of these Regulations or furthering one or more of its objectives under section 1(3).

(2) The powers specified in subsection (3) and in any other provision of these Regulations are without prejudice to the generality of subsection (1).

(3) The Regulator may make such Rules applying to Authorised Persons—

   (a) with respect to the carrying on by them of Regulated Activities; or

   (b) with respect to the carrying on by them of activities which are not Regulated Activities;

as appear to the Regulator to be necessary or expedient for the purpose of furthering one or more of its objectives.

(4) Such Rules may make provision applying to Authorised Persons even if there is no relationship between the Authorised Persons to whom the Rules will apply and the persons whose interests will be protected by the Rules.

(5) Such Rules may contain requirements which take into account, in the case of an Authorised Person who is a member of a Group, any activity of another member of the Group.

(6) Any power of the Regulator to make Rules under these Regulations may be exercised so as to impose requirements on persons who are not Authorised Persons, Approved Persons or Recognised Bodies.

**Specific rule-making powers**

4. **Client Money Rules**

(1) The Regulator may make Rules relating to the handling of money ("Client Money") held by an Authorised Person in Specified circumstances, which may—

   (a) make provision which results in that money being held on trust (which may be one or more separate trusts) in accordance with the Rules;

   (b) treat two or more accounts as a single account for Specified purposes (which may include the distribution of money held in the accounts);

   (c) authorise the retention by the Authorised Person of interest accruing on the money; and
(d) make provision as to the distribution of such interest which is not to be retained by the Authorised Person.

(2) An institution with which an account is kept in pursuance of Rules relating to the handling of Client Money does not incur any liability as constructive trustee if the money is wrongfully paid from the account, unless the institution permits the payment—

(a) with knowledge that it is wrongful; or

(3) Rules made by the Regulator may—

(a) confer rights on persons to rescind agreements with, or withdraw offers to, Authorised Persons within a Specified period; and

(b) as to the circumstances in which a person who would otherwise be regarded as carrying on a Regulated Activity by way of business is to be regarded as not doing so.

(2) The Regulator may make Rules prescribing the conditions ("Threshold Conditions") that must be satisfied by Authorised Persons as a condition of obtaining and maintaining a Financial Services Permission ("Threshold Condition Rules"). Such Rules may in particular—

(a) specify requirements which a person must satisfy in order to be regarded as satisfying a particular Threshold Condition in relation to any Regulated Activities; and

(b) specify matters which are, or may be, or are not, relevant in determining whether a person satisfies a particular Threshold Condition in relation to any Regulated Activities.

(3) The Regulator may make Rules about the disclosure and use of information held by an Authorised Person ("A"). Such Rules may—

(a) require the withholding of information which A would otherwise be required to disclose to a person ("B") for or with whom A does business in the course of carrying on any Regulated Activity or other activity;

(4) The Regulator may make Rules as to the circumstances and manner in which, the conditions subject to which, and the time when or the period during which, action may be taken for the purpose of stabilising the price of Specified Investments.

(5) The Regulator may make Rules which treat a person who acts or engages in conduct—

(a) for the purpose of stabilising the price of investments; and

(b) in conformity with such provisions corresponding to price stabilising rules and made by a body or authority outside the Abu Dhabi Global Market as may be Specified; as acting, or engaging in that conduct, for that purpose and in conformity with Price Stabilising Rules.

(a) are not to apply to that person; or

(b) are to apply to that person with such modifications as may be specified in the Direction.

(2) An application must be made in such manner as the Regulator may direct.

(3) The Regulator may not give a Direction unless it is satisfied that—

(a) compliance by the person with the Rules, or with the Rules as unmodified, would be unduly burdensome or would not achieve the purpose for which the Rules were made; and

(b) the Direction would not adversely affect the advancement of any of the Regulator's objectives.

(4) A Direction may be given subject to conditions.

(5) The Regulator may—

(a) revoke a Direction; or

(b) vary it on the application, or with the consent, of the person to whom it relates.

10. **Publication of Directions under section 9**

(1) Subject to subsection (2), a Direction must be published by the Regulator in such a way as it deems most suitable for bringing the Direction to the attention of—

(a) persons likely to be affected by it; and
persons who are, in the opinion of the Regulator, likely to make an application for a similar Direction.

(2) Subsection (1) does not apply if the Regulator is satisfied that it is inappropriate or unnecessary to publish the Direction.

(3) In deciding whether it is satisfied as mentioned in subsection (2), the Regulator must—

(a) consider whether the publication of the Direction would be detrimental to the stability of the Abu Dhabi Global Market Financial System;

(b) take into account whether the Direction relates to a contravention which is actionable in accordance with section 242; and

(c) consider whether publication of the Direction would prejudice, to an unreasonable degree, the commercial interests of the person concerned or any other member of the person’s Group.

(4) For the purposes of subsection (3)(c), the Regulator must consider whether it would be possible to publish the Direction without the consequence mentioned in that paragraph occurring, by publishing it without disclosing the identity of the person concerned.

Contravention of Rules

11. Limits on effect of contravening Rules

A contravention of a Rule shall not make any transaction void or unenforceable under these Regulations.

Procedural Provisions

12. Rule-Making Instruments

(1) Any power conferred on the Regulator to make Rules is exercisable in writing.

(2) A Rule-Making Instrument must be published by the Regulator on its website.

(3) A person is not to be taken to have contravened any Rule made by the Regulator if the person shows that at the time of the alleged contravention the Rule-Making Instrument concerned had not been published in accordance with subsection (2).

13. Verification of Rules

(1) The production of a printed copy of a Rule-Making Instrument purporting to be made by the Regulator—

(a) on which is endorsed a certificate signed by a person duly authorised by the Regulator for that purpose; and

is evidence of the facts stated in the certificate.

(2) The required statements are—
(a) that the Rule-Making Instrument was made by the Regulator;
(b) that the copy is a true copy of the Rule-Making Instrument; and
(c) that on a specified date the Rule-Making Instrument was published.

(3) A certificate purporting to be signed as mentioned in subsection (1)(a) is to be taken to have been properly signed unless the contrary is shown.

(4) A person who wishes in any legal proceedings to rely on a Rule-Making Instrument may require the Regulator to endorse a copy of the Rule-Making Instrument with a certificate of the kind mentioned in subsection (1).

14. Consultation

(1) Before a Regulator makes, modifies or replaces Rules, it must publish a draft of the Rules on its website.

(2) The draft must be accompanied by a notice that representations about the proposal may be made to the Regulator within a specified time.

(3) Before the Regulator issues the Rules, it may have regard to any representations made to it in accordance with subsection (2).

(4) Subsections (1) to (3) do not apply if the Regulator considers that there is an urgent need to publish the Rules or that the delay involved in complying with such provisions would be prejudicial to its objectives.

(5) Any consultation on Rules undertaken in advance of these Regulations entering into force shall be deemed to have been undertaken in accordance with this section.

Chapter 3 Guidance

15. Power of the Regulator to give Guidance

(1) The Regulator may give Guidance with respect to—

(a) the operation of any provision of these Regulations and of any Rules made by the Regulator;
(b) any other matter relating to the functions and powers of the Regulator; and
(c) any other matters about which it appears to the Regulator to be desirable to give Guidance.

(2) Guidance is indicative and non-binding and may comprise—

(2) The prohibition is referred to in these Regulations as the General Prohibition.

(3) The persons set out in Schedule 3 are exempt from the General Prohibition.

17. **Authorised Persons acting without a Financial Services Permission**

(1) An Authorised Person must not carry on a Regulated Activity in the Abu Dhabi Global Market, or purport to do so, otherwise than in accordance with a Financial Services Permission.

(2) A contravention of subsection (1) does not give rise to any right of action for breach of statutory duty.

18. **Restrictions on financial promotion**

(1) A person ("A") must not, in the course of business, communicate an invitation or inducement to Engage in Investment Activity (the "Financial Promotion Restriction").

(2) Subsection (1) does not apply if—

(b) A is licensed and supervised by a financial services regulator in the U.A.E.;

(c) the content of the communication is approved for the purposes of this section by an Authorised Person or an Exempt Person; or

(d) the communication is an exempt communication under Schedule 2.

(3) In the case of a communication originating outside the Abu Dhabi Global Market, subsection (1) applies only if the communication is capable of having an effect in the Abu Dhabi Global Market.

(4) For the purposes of the Financial Promotion Restriction, "communicate" shall include causing a communication to be made.

(5) Schedule 2 specifies circumstances in which subsection (1) does not apply.

19. **Regulated Activities**

An activity is a Regulated Activity if it is specified as a Regulated Activity in Schedule 1.

20. **False claims to be authorised or exempt**
A person who is neither an Authorised Person nor, in relation to the Regulated Activity in question, an Exempt Person must not—

(a) describe himself (in whatever terms) as an Authorised Person;

(b) describe himself (in whatever terms) as an Exempt Person in relation to the Regulated Activity; or

(c) behave, or otherwise hold himself out, in a manner which indicates (or which is reasonably likely to be understood as indicating) that he is—

(i) an Authorised Person; or

(ii) an Exempt Person in relation to the Regulated Activity.

21. **Agreements made by non-Authorised Persons**

(1) An Agreement made by a person in the course of carrying on a Regulated Activity in contravention of the General Prohibition is unenforceable against the other party.

(2) The other party is entitled to recover—

(a) any money or other property paid or transferred by him under the Agreement; and

(b) compensation for any loss sustained by him as a result of having parted with it.

(3) This section does not apply if the Regulated Activity is Accepting Deposits.

22. **Agreements made through non-Authorised Persons**

(1) An Agreement that—

(a) is made by an Authorised Person (the "Provider") in the course of carrying on a Regulated Activity (not in contravention of the General Prohibition); and

(b) is made in consequence of something said or done by another person (the "Third Party") in the course of a Regulated Activity carried on by the Third Party in contravention of the General Prohibition;

is unenforceable against the other party.

(2) The other party is entitled to recover—

(a) any money or other property paid or transferred by him under the Agreement; and

(b) compensation for any loss sustained by him as a result of having parted with it.

(3) This section does not apply if the Regulated Activity is Accepting Deposits.

23. **Agreements made unenforceable by section 21 or 22**

(1) This section applies to an Agreement which is unenforceable as a result of section 21 or 22.
(2) The amount of compensation recoverable in the event that an Agreement is unenforceable is—

(a) the amount agreed by the parties; or

(b) on the application of either party, the amount determined by the Court.

(3) In considering whether to allow the Agreement to be enforced or (as the case may be) the money or property paid or transferred under the Agreement to be retained the Court must—

(a) if the case arises as a result of section 21, have regard to whether the person carrying on the Regulated Activity concerned reasonably believed that he was not contravening the General Prohibition by making the Agreement; or

(b) if the case arises as a result of section 22, have regard to whether the Provider knew that the Third Party was, in carrying on the Regulated Activity, contravening the General Prohibition.

(4) If the Court is satisfied that it is just and equitable in the circumstances of the case, it may allow—

(a) the Agreement to be enforced; or

(b) money and property paid or transferred under the Agreement to be retained.

(5) If the person against whom the Agreement is unenforceable—

(a) elects not to perform the Agreement; or

(b) as a result of this section, recovers money paid or other property transferred by him under the Agreement;

he must repay any money and return any other property received by him under the Agreement.

(6) If property transferred under the agreement has passed to a Third Party, a reference in section 21 or 22 or this section to that property is to be read as a reference to its value at the time of its transfer under the Agreement.

(7) The commission of a contravention of the General Prohibition or the Financial Promotion Restriction does not make the agreement concerned illegal or invalid to any greater extent than is provided by section 21 or 22.

24. **Accepting Deposits in breach of General Prohibition**

(1) This section applies to an agreement between a person (the “depositor”) and another person (the "deposit-taker") made in the course of the carrying on by the deposit-taker of the Regulated Activity of Accepting Deposits in contravention of the General Prohibition.

(2) If the depositor is not entitled under the agreement to recover without delay any money deposited by him, he may apply to the Court for an order directing the deposit-taker to return the money to him.
25. **Enforceability of Agreements resulting from Unlawful Communications**

(1) If in consequence of an Unlawful Communication, a person Engages in Investment Activity as a Customer, any agreement entered into by him as a part of that activity is unenforceable against him and he is entitled to recover—

(a) any money or other property paid or transferred by him under the agreement; and

(b) compensation for any loss sustained by him as a result of having parted with it.

(2) If in consequence of an Unlawful Communication a person exercises any rights conferred by a Specified Investment, no obligation to which he is subject as a result of exercising them is enforceable against him and he is entitled to recover—

(a) any money or other property paid or transferred by him under the obligation; and

(b) compensation for any loss sustained by him as a result of having parted with it.

(3) The Court may allow—

(a) the agreement or obligation to be enforced; or

(b) money or property paid or transferred under the agreement or obligation to be retained;

if it is satisfied that it is just and equitable in the circumstances of the case.

(4) In considering whether to allow the agreement or obligation to be enforced or (as the case may be) the money or property paid or transferred under the agreement to be retained, the Court must have regard to—

(a) if the Applicant made the Unlawful Communication, whether he reasonably believed that he was not making such a communication; and

(b) if the Applicant did not make the Unlawful Communication, whether he knew that the agreement was entered into in consequence of such a communication.

(5) The amount of compensation recoverable as a result of subsection (1) or (2) is—

(a) the amount agreed between the parties; or

(b) on the application of either party, the amount determined by the Court.

(6) If a person elects not to perform an agreement or an obligation which (by virtue of subsection (1) or (2)) is unenforceable against him, he must repay any money and return any other property received by him under the agreement.
26. **Dealing in Dirhams**

No Authorised Person with a Financial Services Permission to carry on the Regulated Activity of Accepting Deposits may—

(a) accept Deposits from the U.A.E. markets;

(c) undertake foreign exchange transactions involving the U.A.E. Dirham.

27. **Application for a Financial Services Permission**

(1) An Application for a Financial Services Permission to carry on one or more Regulated Activities may be made to the Regulator by—

(a) a Body Corporate; or

(b) a Partnership.

(2) An Authorised Person who has a Financial Services Permission under this Part which is in force may not apply for a further Financial Services Permission under this section but may apply for variation of its Financial Services Permission under section 32.

28. **The Threshold Conditions**

(1) In giving or varying a Financial Services Permission, or imposing or varying a requirement under any provision of this Part, the Regulator must ensure that the person concerned will satisfy, and continue to satisfy, in relation to all of the Regulated Activities for which the person has or will have a Financial Services Permission, any Threshold Conditions specified by the Regulator in Threshold Condition Rules made under section 7(2).

(2) The duty imposed by subsection (1) does not prevent the Regulator, having due regard to that duty, from taking such steps as it considers are necessary, in relation to a particular person, in order to further one or more of its objectives.

29. **Firms based outside the Abu Dhabi Global Market**

(1) This section applies in relation to a Non-Abu Dhabi Global Market Firm.

(2) In determining whether a Non-Abu Dhabi Global Market Firm is satisfying or will satisfy, and continue to satisfy, any one or more of the Threshold Conditions, the Regulator may have regard to any opinion notified to it by a Non-Abu Dhabi Global Market Regulator which relates
to the Non-Abu Dhabi Global Market Firm and appears to the Regulator to be relevant to compliance with those conditions.

(3) In considering how much weight (if any) to attach to the opinion, the Regulator must have regard to the nature and scope of the supervision exercised in relation to the Non-Abu Dhabi Global Market Firm by the Non-Abu Dhabi Global Market Regulator.

30. **Granting a Financial Services Permission**

(1) This section applies in relation to an Application for a Financial Services Permission under section 27.

(2) The Regulator may grant a Financial Services Permission for the Applicant to carry on the Regulated Activity or Regulated Activities to which the Application relates or such of them as may be specified in the Financial Services Permission.

(3) If it grants a Financial Services Permission, the Regulator must specify the permitted Regulated Activity or Regulated Activities, described in such manner as the Regulator considers appropriate.

(4) The Regulator may—

   (a) incorporate in the description of a Regulated Activity such limitations and stipulations (for example as to circumstances in which the activity may, or may not, be carried on) as it considers appropriate;

   (b) specify a narrower or wider description of Regulated Activity than that to which the Application relates; or

   (c) grant a Financial Services Permission for the carrying on of a Regulated Activity which is not included among those to which the Application relates.

(5) If a Partnership has a Financial Services Permission—

   (a) it has the relevant Financial Services Permission to carry on the Regulated Activities concerned in the name of the firm; and

   (b) its Financial Services Permission is not affected by any change in its membership.

(6) If an Authorised Person which is a firm is dissolved, its Financial Services Permission continues to have effect in relation to any individual or firm which succeeds to the business of the dissolved firm.

(7) For the purposes of this section, an individual or Partnership is to be regarded as succeeding to the business of a dissolved Partnership only if succession is to the whole or substantially the whole of the business of the former Partnership.

31. **Granting a Financial Services Permission: special cases**

(1) If the Applicant—

   (a) in relation to a particular Regulated Activity, is exempt from the General Prohibition as a result of section 16(3); but
(b) has applied for a Financial Services Permission in relation to another Regulated Activity;

the Application is to be treated as relating to all the Regulated Activities which, if a Financial Services Permission is granted, the Applicant will carry on.

(2) If the Applicant—

(a) in relation to a particular Regulated Activity, is exempt from the General Prohibition as a result of any of subsections (1) or (2) of section 119; but

(b) has applied for a Financial Services Permission in relation to another Regulated Activity;

the Application is to be treated as relating only to that other Regulated Activity.

(3) If the Applicant—

(a) is a person to whom, in relation to a particular Regulated Activity, the General Prohibition under section 16 does not apply; but

(b) has applied for a Financial Services Permission in relation to another Regulated Activity;

the Application is to be treated as relating only to that other Regulated Activity.

Variation and cancellation of a Financial Services Permission

32. Variation by the Regulator at the request of an Authorised Person

(1) The Regulator may, on the application of the Authorised Person, vary its Financial Services Permission by—

(c) varying the description of a Regulated Activity to which the Financial Services Permission relates.

(2) The Regulator may, on the application of the Authorised Person, cancel its Financial Services Permission.

(3) The Regulator may refuse an application under this section if it appears to it that it is desirable to do so in order to further one or more of its objectives.

(4) If, as a result of a variation of a Financial Services Permission under this section, there are no longer any Regulated Activities for which the Authorised Person concerned has a Financial Services Permission, the Regulator must, once it is satisfied that it is no longer necessary to keep the Financial Services Permission in force, cancel it.
(5) The Regulator’s power to vary a Financial Services Permission under this section extends to including in the Financial Services Permission as varied any provision that could be included if a fresh Financial Services Permission were being given by it in response to an Application under section 27.

33. Variation or cancellation on initiative of the Regulator

(1) The Regulator may exercise its power under this section in relation to an Authorised Person with a Financial Services Permission ("A") if it appears to the Regulator that—

(a) A is failing, or is likely to fail, to satisfy the Threshold Condition Rules;

(b) A has committed a contravention of these Regulations or any Rules made under these Regulations;

(c) A has failed, during a period of at least 12 months, to carry on a Regulated Activity to which the Financial Services Permission relates; or

(d) it is desirable to exercise the power in order to further one or more of the Regulator's objectives.

(2) The Regulator’s power under this section is the power—

(a) to vary the Financial Services Permission by—

(i) adding a Regulated Activity to those to which the Financial Services Permission relates;

(ii) removing a Regulated Activity from those to which the Financial Services Permission relates; or

(iii) varying the description of a Regulated Activity to which the Financial Services Permission relates in a way which does not, in the opinion of the Regulator, widen the description; or

(b) to cancel the Financial Services Permission.

(3) If, as a result of a variation of a Financial Services Permission under this section, there are no longer any Regulated Activities for which the Authorised Person concerned has a Financial Services Permission, the Regulator must, once it is satisfied that it is no longer necessary to keep the Financial Services Permission in force, cancel it.

(4) The power of the Regulator to vary a Financial Services Permission under this section extends to including in the Financial Services Permission as varied any provision that could be included if a fresh Financial Services Permission were being given in response to an Application to the Regulator under section 27.

(5) The power of the Regulator under this section is referred to in these Regulations as its Own-Initiative Variation Power.

34. Withdrawal of authorised status

(1) This section applies if—
(a) an Authorised Person’s Financial Services Permission is cancelled; and

(b) as a result, there is no Regulated Activity for which it has a Financial Services Permission.

(2) The Regulator must give a direction withdrawing that person’s status as an Authorised Person.

**Imposition and variation of requirements**

35. **Imposition of requirements by the Regulator**

(1) Where a person has applied to the Regulator for a Financial Services Permission or the variation of a Financial Services Permission, the Regulator may impose on that person such requirements, taking effect on or after the giving or variation of the Financial Services Permission, as the Regulator considers appropriate.

(2) The Regulator may exercise its power under subsection (3) in relation to an Authorised Person with a Financial Services Permission ("A") if it appears to the Regulator that—

(a) A is failing, or is likely to fail, to satisfy the Threshold Condition Rules;

(b) A has committed a contravention of these Regulations or any Rules made under these Regulations;

(c) A has failed, during a period of at least 12 months, to carry on a Regulated Activity to which the Financial Services Permission relates; or

(3) The Regulator’s power under this subsection is a power—

(a) to impose a new requirement;

(b) to vary a requirement imposed by the Regulator under this section; or

(c) to cancel such a requirement.

(4) The Regulator’s power under subsection (3) is referred to in these Regulations as its Own-Initiative Requirement Power.

(5) The Regulator may, on the application of an Authorised Person with a Financial Services Permission—

(a) impose a new Requirement;

(b) vary a Requirement imposed by the Regulator under this section; or

(c) cancel such a Requirement.

(6) The Regulator may refuse an application under subsection (5) if it appears to it that it is desirable to do so in order to further one or more of its objectives.
36. **Requirements under section 35: further provisions**

(1) A Requirement may, in particular, be imposed—

(a) so as to require the person concerned to take action specified by the Regulator; or

(b) so as to require the person concerned to refrain from taking action specified by the Regulator.

(2) A Requirement may extend to activities which are not Regulated Activities.

(3) A Requirement may be imposed by reference to the person's relationship with—

(a) the person's Group; or

(b) other members of the person's Group.

(4) A Requirement may be expressed to expire at the end of such period as the Regulator may specify, but the imposition of a Requirement that expires at the end of a specified period does not affect the Regulator's power to impose a new Requirement.

(5) A Requirement may refer to the past conduct of the person concerned (for example, by requiring the person concerned to review or take remedial action in respect of past conduct).

37. **Imposition of requirements on acquisition of Control**

(1) This section applies if it appears to the Regulator that—

(a) a person has acquired Control over an Authorised Person; and

(b) there are no grounds for exercising its Own-Initiative Requirement Power.

(2) If it appears to the Regulator that the likely effect of the acquisition of Control on the Authorised Person, or on any of its activities, is uncertain, the Regulator may—

(a) impose on the Authorised Person a requirement that could be imposed by the Regulator under section 35 on the giving of a Financial Services Permission; or

(b) vary a requirement imposed by the Regulator under that section on the Authorised Person.

(3) Any reference to a person having acquired Control is to be read in accordance with Part 10.

38. **Assets Requirements**

(1) This section applies if—

(a) the Regulator imposes an Assets Requirement on a person being given a Financial Services Permission;

(b) an Assets Requirement is imposed on an Authorised Person; or

(c) an Assets Requirement previously imposed on such a person is varied.
(2) A person on whom an Assets Requirement is imposed is referred to in this section as "A".

(3) "Assets Requirement" means a requirement under imposed section 35—

(a) prohibiting the disposal of, or other dealing with, any of A's assets (whether in the Abu Dhabi Global Market or elsewhere) or restricting such disposals or dealings; or

(b) that all or any of A's assets, or all or any assets belonging to Customers but held by A or to A's order, must be transferred to and held by a trustee approved by the Regulator.

(4) If the Regulator—

(a) imposes a requirement of the kind mentioned in subsection (3)(a); and

(b) gives notice of the requirement to any institution with whom A keeps an account;

the notice has the effects mentioned in subsection (5).

(5) Those effects are that—

(a) the institution does not act in breach of any contract with A if, having been instructed by A (or on A's behalf) to transfer any sum or otherwise make any payment out of A's account, it refuses to do so in the reasonably held belief that complying with the instruction would be incompatible with the requirement; and

(b) if the institution complies with such an instruction, it shall be liable to pay to the Regulator an amount equal to the amount transferred from, or otherwise paid out of, A's account in contravention of the requirement.

(6) If the Regulator imposes a requirement of the kind mentioned in subsection (3)(b), assets held by a person as trustee in accordance with the requirement shall not, while the requirement is in force, be released or dealt with except with the consent of the Regulator.

(7) If, while a requirement of the kind mentioned in subsection (3)(b) is in force, A creates a Charge over any assets of A held in accordance with the requirement, the Charge is (to the extent that it confers security over the assets) void against the liquidator and any of A's creditors.

(8) Assets held by a person as trustee ("T") are to be taken to be held by T in accordance with any requirement mentioned in subsection (3)(b) only if—

(a) A has given T written notice that those assets are to be held by T in accordance with the requirement; or

(b) they are assets into which assets to which paragraph (a) applies have been transposed by T on the instructions of A.

(9) Subsections (6) and (8) do not affect any equitable interest or remedy in favour of a person who is a beneficiary of a trust as a result of a requirement of the kind mentioned in subsection (3)(b).

(2) The Regulator may in particular—

(2) The Regulator may exercise its powers under subsection (1) where—

(i) granting the Securities admission to the Official List would be detrimental to the interests of persons dealing in the relevant Securities, using the facilities of a Recognised Body or otherwise;

(ii) any requirements in the Listing Rules as are applicable have not been or will not be complied with;

(iii) any requirement imposed by the Regulator has not been or will not be complied with; or

within such period as may be specified in the notice (whether or not he has referred
the matter to the Regulatory Committee);
(d) inform him of the date on which the Discontinuance or Suspension took effect or will
take effect; and

the Regulator must give the Issuer of the Securities written notice.

(5) If the Regulator decides—

(b) if the Discontinuance or Suspension has taken effect, to rescind it;
the Regulator must give the Issuer of the Securities written notice.

(6) A notice under subsection (4) shall inform the Issuer of his right to refer the matter to the
Regulatory Committee.

(7) The effect of rescinding a Discontinuance is that the Securities concerned are to be readmitted
automatically to the Official List.

55. **Discontinuance or Suspension at the request of the Issuer: procedure**

(1) A Discontinuance or Suspension by the Regulator on the application of the Issuer of the
Securities takes effect—

(b) the causing of loss to another person or the exposing of another person to the risk of loss.

(5) References in subsection (4) to gain or loss are to be read in accordance with subsections (6) and (7).

(6) In proceedings brought against any person ("D") for a contravention under subsection (1) it is a defence for D to show—

(b) the impression may affect the setting of a Relevant Benchmark;
(c) C knows that the impression is false or misleading or is reckless as to whether it is; and

Part 10 Change of Control

105. Provisions governing Controllers

(1) The Regulator may make Rules in connection with the change of control of Authorised Persons or Recognised Bodies. Such Rules may make provision as to—

(a) when a person becomes or ceases to be a Controller of an Authorised Person or Recognised Body;

(b) which shareholdings are to be disregarded when assessing whether a person becomes or ceases to be a Controller of an Authorised Person or Recognised Body;
(c) when the acquisition of, or increase or decrease in the level of, Control of an Authorised Person or Recognised Body requires either the prior approval of, or notification to, the Regulator;

(d) when the Regulator may object to an existing Controller;

(e) the procedures relating to the approval, notification and objections referred to in paragraphs (c) and (d); and

(f) any other matter necessary or incidental to give effect to the provisions governing Controllers.

(2) Without limiting the generality of the Regulator’s powers, the Regulator may—

(a) approve or object to a person becoming a Controller of an Authorised Person or Recognised Body;

(b) approve or object to an increase in the level of control of an existing Controller of an Authorised Person or Recognised Body;

(c) object to an existing Controller of an Authorised Person or Recognised Body where it has reasonable grounds to believe that such a person is no longer an acceptable Controller; and

(3) Where the Regulator considers an existing Controller of an Authorised Person or Recognised Body to be an unacceptable Controller—

(a) it must notify the Controller and the Authorised Person or Recognised Body in writing that the Controller is no longer an acceptable Controller; and

(b) it may require that the Controller and the Authorised Person or Recognised Body take such action as is specified by the Regulator.

(c) require the unacceptable Controller to take such action as specified by the Regulator.

Part 11 Collective Investment Funds

Chapter 1 Interpretation

106. Collective Investment Funds
In this Part, "Collective Investment Fund" means any arrangements with respect to property of any description, including money, the purpose or effect of which is to enable persons taking part in the arrangements (whether by becoming owners of the property or any part of it or otherwise) to participate in or receive profits or income arising from the acquisition, holding, management or disposal of the property or sums paid out of such profits or income.

The arrangements must be such that the persons who are to participate ("Unitholders") do not have day-to-day control over the management of the property, whether or not they have the right to be consulted or to give directions.

The arrangements must also have either or both of the following characteristics—

(a) the contributions of the Unitholders and the profits or income out of which payments are to be made to them are pooled;

(b) the property is managed as a whole by or on behalf of the Fund Manager.

If arrangements provide for such pooling as is mentioned in subsection (3)(a) in relation to separate parts of the property, the arrangements are not to be regarded as constituting a single Collective Investment Fund unless the Unitholders are entitled to exchange rights in one part for rights in another.

The Regulator may by Rules provide that arrangements do not amount to a Collective Investment Fund—

(a) in specified circumstances; or

(b) if the arrangements fall within a specified category of arrangement.

Chapter 2 Registration of Public Funds

107. Registration requirement

(1) Every Domestic Fund (including any Sub-Fund, where applicable) which is a Public Fund shall be registered with the Regulator.

(2) The Regulator shall register a Public Fund if the Fund (or Sub-Fund) meets all the requirements in this Chapter.

(3) The Application for the registration of a Public Fund shall be made to the Regulator by the Fund Manager or, if the Fund is an Investment Trust, jointly by the Fund Manager and the Trustee of that Fund.

(4) Such an Application shall—

(a) be made in accordance with any applicable Rules made by the Regulator;

(b) be made in such manner as the Regulator may direct; and

(c) contain, and be accompanied by, such other information as the Regulator may reasonably require.
108. **Providing information in relation to the Application**

(1) The Regulator may require the Fund Manager, and if relevant the Trustee, to provide such further information (in such form and with such verification) as it reasonably considers necessary to enable it to determine the Application.

(2) Different directions may be given, and different requirements imposed, in relation to different Applications or categories of Application.

(3) The Regulator may require an Applicant to provide information which the Applicant is required to provide to it under this section in such form, or to verify it in such a way, as the Regulator may direct.

109. **Rejection of an Application**

The Regulator may refuse to grant an Application for registration of a Public Fund if it is not satisfied that the requirements referred to in section 107 have been met.

110. **Granting registration**

(1) The Regulator shall grant the registration to come into effect on a specified date.

(2) Where the Regulator registers a Public Fund, it shall, without undue delay, inform the Fund Manager and, if relevant, the Trustee in writing of—

(a) that decision; and

(b) the date on which the registration shall come into effect.

111. **Withdrawal of registration**

(1) The Regulator may, subject to subsection (2), withdraw the registration of a Public Fund where one or more of the following circumstances apply—

(a) the Fund is not operating or has been wound up;

(b) any information provided to the Regulator by the Fund Manager or, if Appointed, the Trustee, is false or misleading in a material particular or materially misleading;

(c) the Fund Manager or, if Appointed, the Trustee has contravened these Regulations or any Rules made under these Regulations;

(d) the Fund Manager or, if Appointed, the Trustee or member of the Fund’s Governing Body has not complied with a direction issued by the Regulator under these Regulations;

(e) a person other than a member of the Fund’s Governing Body, Shari’a Supervisory Board, the Trustee or a person providing oversight functions is exercising significant influence over the Fund, the Fund Manager or any member of the Fund’s Governing Body;
(f) the Fund Manager is no longer fit and proper to manage the Fund or is incapable of acting as the Fund Manager of the Fund in compliance with these Regulations, any Rules made by the Regulator or the terms of its Constitution;

(g) the Trustee is no longer fit and proper to act as Trustee of the Fund or is incapable of acting as Trustee of the Fund in compliance with these Regulations, any Rules made by the Regulator, or the terms of its Constitution; or

(h) the Fund Manager or, if Appointed, the Trustee requests the Regulator to withdraw the registration of the Fund on the grounds that the Unitholders have passed a Special Resolution approving the Fund to be deregistered.

(2) The Regulator may withdraw the registration of a Fund under subsection (1) only if it considers that—

(a) the withdrawal is in the interests of the Unitholders of the Fund; or

(b) appropriate steps have been taken or may reasonably be taken to protect the interests of the Unitholders.

(3) Where the Regulator has withdrawn, or proposes to withdraw, a registration under this section, it may, by written notice, direct the Fund Manager or, if Appointed, the Trustee to take such steps as the Regulator considers necessary or desirable to protect the interests of Unitholders in the Fund.

(4) References in this section to a Fund include references to a Sub-Fund, as applicable.

112. Notification requirement

(1) The Fund Manager of an Exempt Fund or a Qualified Investor Fund shall notify the Regulator at least 14 days prior to the initial Offer to issue Units in the Fund and, in the case of a closed-ended Fund, any subsequent Offer to issue Units in the Fund.

(2) Such a notification must be made in the manner prescribed in any Rules made by the Regulator and include the name of the Fund and the type of Fund and any further details required under such Rules made by the Regulator.

(3) If a Domestic Fund can no longer meet the conditions to be an Exempt Fund or a Qualified Investor Fund under any Rules made by the Regulator, the Fund Manager of that Fund shall, as soon as practicable, either—

(a) in the case of an Exempt Fund, register the Fund as a Public Fund under section 107, or in the case of a Qualified Investor Fund, reconstitute the Fund as an Exempt Fund or register the Fund as a Public Fund under section 107; or

(b) apply for the winding-up of that Fund.

(4) References in this section to a Fund include references to a Sub-Fund, as applicable.
Chapter 4 Investment Trusts

113. **General prohibition**

114. **Creation of an Investment Trust**

(1) An Investment Trust shall be created by a Trust Deed entered into between—

(a) an Authorised Person who has a Financial Services Permission to Manage Assets or Manage a Collective Investment Fund; and

(d) not contain any provision which conflicts with the requirements in any Rules made by the Regulator.

115. **Effect and validity of the Trust Deed**

(1) The provisions of the Trust Deed are binding on the persons who become Unitholders of the Investment Trust, as if they were a party to the Trust Deed.

(2) Any provision of a Trust Deed, which is inconsistent with these Regulations or any Rules made by the Regulator, shall be void.

116. **Unitholder liability**

(1) The Unitholders of an Investment Trust created under these Regulations are not liable for any debts or other liabilities incurred by or in respect of the Investment Trust except to the extent of any amount outstanding for the payment of the Units or interests in the Units at the price at which the Unitholder agreed to acquire the Units or interest in the Units.

(2) No action shall be brought by any person against a Unitholder for any debts or other liabilities of, or in respect of, an Investment Trust or any actions or omissions of the Trustee or Fund Manager except to the extent provided in subsection (1).

117. **Power to make a Direction**

If, in the opinion of the Regulator, the name of a Fund or of a Sub-Fund conflicts with the name of another Fund or Sub-Fund or is undesirable or misleading, it may direct the Fund Manager to change the name of the Fund or the Sub-Fund.

118. **Recognised Jurisdiction**

The Regulator may by Rules designate as a Recognised Jurisdiction any jurisdiction where it is satisfied that the laws and regulations of such jurisdiction are sufficiently equivalent to those of the Abu Dhabi Global Market in as far as they apply to the management and operation of Domestic Funds. The Regulator shall publish and maintain a list of such jurisdictions.

**Part 12 Recognised Bodies and OTC Derivatives**

**Chapter 1 Exemption**

**General**

119. **Exemption for Recognised Investment Exchanges and Recognised Clearing Houses**

(b) which is carried on for the purposes of, or in connection with, the provision by the exchange of services designed to facilitate the provision of clearing services by another person.
A Recognised Clearing House is exempt from the General Prohibition as respects any Regulated Activity—

The Regulator may make Rules which amend paragraph (b) of subsection (1) or (2).

120. Qualification for recognition

The Regulator may make Rules setting out the requirements ("Recognition Requirements")—

(a) which must be satisfied by an investment exchange or clearing house if it is to qualify as a body in respect of which the Regulator may make a recognition order under this Part; and

(b) which, if a recognition order is made, it must continue to satisfy, if it is to remain a Recognised Body.

Applications for recognition

121. Application by an investment exchange

(1) Any Body Corporate may apply to the Regulator for an order declaring it to be a Recognised Investment Exchange for the purposes of these Regulations.

123. Applications: supplementary

(1) At any time after receiving an Application and before determining it, the Regulator may require the Applicant to provide such further information as it reasonably considers necessary to enable it to determine the Application.

(2) Information which the Regulator requires in connection with an Application must be provided in such form, or verified in such manner, as the Regulator may direct.

(3) Different directions may be given, or requirements imposed, by the Regulator with respect to different Applications.
124. **Recognition orders**

(1) If it appears to the Regulator that the Applicant satisfies the Recognition Requirements applicable in its case, the Regulator may—

(a) where the Application is made under section 121, make a recognition order declaring the Applicant to be a Recognised Investment Exchange;

(b) where the Application is made under section 122, make a recognition order declaring the Applicant to be a Recognised Clearing House.

(2) In considering an Application made under section 121 or 122, the Regulator may have regard to any information which it considers is relevant to the Application.

(3) A recognition order must specify a date on which it is to take effect.

(4) Section 135 has effect in relation to a decision to refuse to make a recognition order—

(a) as it has effect in relation to a decision to revoke such an order; and

(b) as if references to a Recognised Body were references to the Applicant.

125. **Variation of a recognition order**

(1) On an application made to it, the Regulator may vary a recognition order by adding or removing a specified service or activity or class of Financial Instruments.

(2) The Regulator may at any time vary a recognition order for the purpose of correcting an error in, or omission from, the order.

126. **Liability in relation to Recognised Body’s Regulatory Functions**

A Recognised Body and its officers and staff are not to be liable in damages for anything done or omitted in the discharge of the Recognised Body’s Regulatory Functions unless it is shown that the act or omission was in bad faith.

(1) An Application under sections 121 or 122 by a Non-Abu Dhabi Global Market Applicant must comply with such requirements relating to Non-Abu Dhabi Global Market Recognised Bodies as the Regulator may specify by Rules.

(2) If it appears to the Regulator that a Non-Abu Dhabi Global Market Applicant satisfies the requirements of subsection (3) it may make a recognition order declaring the Applicant to be—

(a) a Recognised Investment Exchange;

(b) a Recognised Clearing House.
(3) The requirements are that—

(a) investors are afforded protection equivalent to that which they would be afforded if the body concerned were required to comply with Recognition Requirements, other than any such requirements which are expressed in Rules under section 120 not to apply for the purposes of this paragraph;

(b) there are adequate procedures for dealing with a person who is unable, or likely to become unable, to meet his obligations in respect of one or more Market Contracts connected with the investment exchange or clearing house;

(c) the Applicant is able and willing to co-operate with the Regulator by the sharing of information and in other ways;

(d) adequate arrangements exist for co-operation between the Regulator and those responsible for the supervision of the Applicant in the country or territory in which the Applicant’s head office is situated.

(4) In considering whether it is satisfied as to the requirements mentioned in subsections (3)(a) and (b), the Regulator is to have regard to—

(a) the relevant law and practice of the country or territory in which the Applicant’s head office is situated, including, with respect to a Non-Abu Dhabi Global Market Recognised Clearing House applicant, the equivalence of such laws to those set out in Chapter 3 and Chapter 4 of this Part, and Part 13 of these Regulations;

(b) the rules and practices of the Applicant.

(5) In relation to a Non-Abu Dhabi Global Market Applicant and a body or association declared to be a Recognised Investment Exchange or Recognised Clearing House by a recognition order made by virtue of subsection (2)—

(b) sections 132(1) and 134(2) have effect as if the requirements mentioned in section 132(1)(a) and section 134(2)(a) were those of subsections (3)(a), (b), and (c) of this section;

(c) section 134(2) has effect as if the grounds on which a recognition order may be revoked under that provision included the ground that in the opinion of the appropriate regulator arrangements of the kind mentioned in subsection (3)(d) no longer exist.

Publication of information by Recognised Investment Exchange

128. Publication of information by Recognised Investment Exchange

(1) A Recognised Investment Exchange must as soon as practicable after a recognition order is made in respect of it publish such particulars of the ownership of the exchange as the Regulator may reasonably require.
The particulars published under subsection (1) must include particulars of the identity and scale of interests of the persons who are in a position to exercise significant influence over the management of the exchange, whether directly or indirectly.

If an Ownership Transfer takes place in relation to a Recognised Investment Exchange, the exchange must as soon as practicable after becoming aware of the transfer publish such particulars relating to the transfer as the Regulator may reasonably require.

A Recognised Investment Exchange must publish such particulars of any decision it makes to suspend or remove a Financial Instrument from trading on a Recognised Investment Exchange operated by it as the Regulator may reasonably require.

The Regulator may determine the manner of publication under subsections (1), (3) and (4) and the timing of publication under subsection (4).

This section does not apply to a Non-Abu Dhabi Global Market Investment Exchange.

(1) The Regulator may make Rules requiring a Recognised Body to give it—

(a) notice of such events relating to the body as may be Specified; and

(b) such information in respect of those events as may be Specified.

(2) The Rules may also require a Recognised Body to give the Regulator, at such times or in respect of such periods as may be Specified, such information relating to the body as may be Specified.

(3) An obligation imposed by the Rules extends only to a notice or information which the Regulator may reasonably require for the exercise of its functions under these Regulations.

(4) The Rules may require information to be given in a Specified form and to be verified in a Specified manner.

(5) If a Recognised Body—

(a) alters or revokes any of its rules or guidance; or

(b) proposes to make new rules, makes new rules or issues new guidance;

it must give written notice to the Regulator without delay.

(6) If a Recognised Investment Exchange makes a change—

(a) in the arrangements it makes for the provision by another person of clearing services in respect of transactions effected on the exchange; or

(b) in the criteria which it applies when determining to whom it will provide services falling within section 119(1)(b);

it must give written notice to the Regulator without delay.
(7) If a Recognised Clearing House makes a change—

(a) in the Recognised Investment Exchanges for whom it provides clearing services or services falling within section 119(2)(b); or

(b) in the criteria which it applies when determining to whom (other than Recognised Investment Exchanges) it will provide clearing services or services falling within section 119(2)(b);

it must give written notice to the Regulator without delay.

(8) Subsections (5) to (7) do not apply to a Non-Abu Dhabi Global Market Investment Exchange or a Non-Abu Dhabi Global Market Clearing House.

130. Modification or waiver of Rules

(1) The Regulator may, on the application or with the consent of a Recognised Body, direct that Rules made under section 129 or 131—

(a) are not to apply to the body; or

(b) are to apply to the body with such modifications as may be specified in the Direction.

(2) An application must be made in such manner as the Regulator may direct.

(3) Subsections (4) to (6) apply to a Direction given under subsection (1).

(4) The Regulator may not give a Direction unless it is satisfied that—

(a) compliance by the Recognised Body with the Rules, or with the Rules as unmodified, would be unduly burdensome or would not achieve the purpose for which the Rules were made; and

(b) the Direction would not result in undue risk to persons whose interests the Rules are intended to protect.

(5) A Direction may be given subject to conditions.

(6) The Regulator may—

(a) revoke a Direction; or

(3) The report must also contain such information as may be specified in the Rules made by the Regulator.

132. **Regulator's power to give Directions**

(b) has failed to comply with any other obligation imposed on it by or under these Regulations.

(2) The Regulator may direct the body to take specified steps for the purpose of securing the body's compliance with—

(b) the suspension of the carrying on of any Regulated Activity by the body for the period specified in the Direction.

(4) A Direction under this section is enforceable, on the application of the Regulator, by an injunction.

(5) The fact that a rule made by a Recognised Body has been altered in response to a Direction given by the Regulator does not prevent it from being subsequently altered or revoked by the Recognised Body.

133. **Additional power to direct Recognised Clearing Houses**

(1) The Regulator may direct a Recognised Clearing House to take, or refrain from taking, specified action if the Regulator is satisfied that it is necessary to give the Direction, having regard to the public interest in—

(a) for giving the Direction; and
(b) for relying on section 135(7).

(5) A Direction under this section is enforceable, on the application of the Regulator, by an injunction.

(6) The Regulator may revoke a Direction given under this section.

134. **Revoking recognition**

(1) A recognition order in respect of a Recognised Investment Exchange or in respect of a Recognised Clearing House may be revoked by an order made by the Regulator at the request, or with the consent, of the Recognised Body concerned.

(2) If it appears to the Regulator that a Recognised Body—
(a) is failing, or has failed, to satisfy the Recognition Requirements; or
(b) is failing, or has failed, to comply with any other obligation imposed on it by or under these Regulations;

   it may make an order revoking the recognition order for that body.

(3) If it appears to the Regulator that a Recognised Body—
(a) has not carried on the business of an investment exchange or (as the case may be) of a clearing house during the period of 12 months beginning with the day on which the recognition order took effect in relation to it; or

(b) has not carried on the business of an investment exchange or (as the case may be) of a clearing house at any time during the period of six months ending with the Relevant Day;

it may make an order revoking the recognition order for that body.

(4) Subsection (3) does not apply to a Non-Abu Dhabi Global Market Investment Exchange or Non-Abu Dhabi Global Market Clearing House.

(5) An order under this section (a "Revocation Order") must specify the date on which it is to take effect.

(6) In the case of a Revocation Order made under subsection (2) or (3), the specified date must not be earlier than the end of the period of three months beginning with the day on which the order is made.

(7) A Revocation Order may contain such transitional provisions as the Regulator thinks necessary or expedient.

135. Directions and revocation: procedure

(1) Before giving a Direction under sections 132 or 133 or making a Revocation Order under section 134(2) or (3), the Regulator must give written notice of its intention to do so to the Recognised Body concerned.

(2) A notice under subsection (1) must—

(a) state why the Regulator intends to give the Direction or make the order; and

(b) draw attention to the right to make representations conferred by subsection (3).

(3) Before the end of the period for making representations, the Recognised Body may make representations to the Regulator.

(4) The period for making representations is such period as is specified in the notice (which may, in any particular case, be extended by the Regulator).

(5) In deciding whether to—

(a) give a Direction; or

(b) make a Revocation Order;

the Regulator must have regard to any representations made in accordance with subsection (3).

(6) When the Regulator has decided to give a Direction under sections 132 or 133 or make the proposed Revocation Order, it must give the Recognised Body written notice of its decision.
If the Regulator reasonably considers it necessary to do so, it may give a Direction under section 132 or 133—

(a) without following the procedure set out in this section; or

(b) if the Regulator has begun to follow that procedure, regardless of whether the period for making representations has expired.

If the Regulator has, in relation to a particular matter, followed the procedure set out in subsections (1) to (5), it need not follow it again if, in relation to that matter, it decides to take action other than that specified in its notice under subsection (1).

136. **Complaints about recognised bodies**

The Regulator must make arrangements for the investigation of any Relevant Complaint about a Recognised Body.

**Power to disallow excessive Regulatory Provision**

137. **Power of the Regulator**

(1) This section applies where a Recognised Body proposes to make any Regulatory Provision in connection with—

(a) its business as an investment exchange;

(b) the provision by it of clearing services; or

(c) the provision by it of services falling within section 119(1)(b) or (2)(b).

(2) If it appears to the Regulator—

(a) that the proposed provision will impose a Requirement on persons affected (directly or indirectly) by it; and

(b) that the Requirement is excessive;

the Regulator may direct that the proposed provision must not be made.

(3) A Requirement is excessive if—

(a) it is not required under any enactment or rule of law in the Abu Dhabi Global Market; and

(b) either—

(i) it is not justified as pursuing a reasonable regulatory objective; or

(ii) it is disproportionate to the end to be achieved.

(4) In considering whether a Requirement is excessive, the Regulator must have regard to all the relevant circumstances, including—

(a) the effect of existing legal and other requirements;
(b) the global character of financial services and markets and the international mobility of activity;

(c) the desirability of facilitating innovation; and

(d) the impact of the proposed provision on market confidence.

(5) Any provision made in contravention of a Direction under this section is of no effect.

138. **Power to disallow excessive Regulatory Provision: supplementary**

(1) In section 137—

(a) "Regulatory Provision" means any rule, guidance, arrangements, policy or practice; and

(b) references to making provision shall be read accordingly as including, as the case may require, issuing guidance, entering into arrangements or adopting a policy or practice.

(2) For the purposes of those sections, a variation of a proposal is treated as a new proposal.

**Chapter 2 Interpretation**

139. **Interpretation of Part 12**

(1) References in this Part to rules of a Recognised Body are to rules made, or conditions imposed, by a Recognised Body with respect to—

with respect to the provision by it or its members of services.

**Chapter 3 Clearing, Reporting and Risk Mitigation of OTC Derivatives**

140. **Commencement**

(1) The provisions of this Chapter 3 shall enter into force at such time as the Regulator shall appoint in Rules made by the Regulator. Different dates may be appointed for different provisions of this Chapter.
(2) Such Rules may make transitional provision in relation to the entry into force of this Chapter 3.

141. Clearing obligation

(1) Counterparties shall clear all OTC Derivative Contracts pertaining to a class of OTC Derivatives that has been declared subject to the clearing obligation in accordance with section 142(1), if those contracts fulfil both of the following conditions—

(a) they have been concluded in one of the following ways—

(i) between two Financial Counterparties;

(ii) between a Financial Counterparty and a Non-Financial Counterparty that meets the conditions referred to in section 147(1)(b);

(iii) between two Non-Financial Counterparties that meet the conditions referred to in section 147(1)(b);

(iv) between a Financial Counterparty or a Non-Financial Counterparty meeting the conditions referred to in section 147(1)(b) and an entity established in a jurisdiction outside the Abu Dhabi Global Market that would be subject to the clearing obligation if it were established in the Abu Dhabi Global Market; or

(v) between two entities established in one or more jurisdictions outside the Abu Dhabi Global Market that would be subject to the clearing obligation if they were established in the Abu Dhabi Global Market, provided that the contract has a direct, substantial and foreseeable effect within the Abu Dhabi Global Market or where such an obligation is necessary or appropriate to prevent the evasion of any provisions of these Regulations; and

(b) they are entered into or novated either—

(i) on or after the date from which the clearing obligation takes effect; or

(ii) on or after recognition as referred to in section 142(1) but before the date from which the clearing obligation takes effect if the contracts have a remaining maturity higher than the minimum remaining maturity determined by the Regulator in accordance with section 142(1)(c).

(2) If a class of OTC Derivatives that has been previously declared subject to a clearing obligation in accordance with section 142(1) is no longer cleared by at least one Recognised Clearing House, it shall cease to be subject to the clearing obligation.

(3) Without prejudice to risk-mitigation techniques under section 148, OTC Derivative Contracts that are Intragroup Transactions shall not be subject to the clearing obligation, provided that, at least 30 days before the use of the exemption, the counterparty or counterparties established in the Abu Dhabi Global Market have notified the Regulator in writing that they intend to make use of the exemption.

(4) The OTC Derivative Contracts that are subject to the clearing obligation shall be cleared by a Recognised Clearing House. For that purpose a counterparty shall become a Clearing Member, a client, or shall establish indirect clearing arrangements with a Clearing Member, provided that those arrangements do not increase counterparty risk.
The Regulator may make Rules specifying the contracts that are considered to have a direct, substantial and foreseeable effect within the Abu Dhabi Global Market or the cases where it is necessary or appropriate to prevent the evasion of any provisions of these Regulations as referred to in subsection (1)(a)(v).

142. **Clearing obligation procedure**

(1) The Regulator may make Rules specifying—

(a) a class of OTC Derivatives that shall be subject to the clearing obligation;

(b) the date or dates from which the clearing obligation takes effect in respect of such class of OTC Derivatives, including any phase-in and the categories of counterparties to which the obligation applies; and

(c) the minimum remaining maturity of the OTC Derivative Contracts referred to in section 141(1)(b)(ii).

(2) With the overarching aim of reducing systemic risk, the Regulator may take into consideration the following criteria—

(a) the degree of standardisation of the contractual terms and operational processes of the relevant class of OTC Derivatives;

(b) the volume and liquidity of the relevant class of OTC Derivatives;

(c) the availability of fair, reliable and generally accepted pricing information in the relevant class of OTC Derivatives;

(d) the interconnectedness between counterparties using the relevant classes of OTC Derivatives;

(e) the anticipated impact on the levels of Counterparty Credit Risk between counterparties;

(f) the impact on competition in the Abu Dhabi Global Market;

(g) the expected volume of the relevant class of OTC Derivatives;

(h) whether more than one Recognised Clearing House already clears the same class of OTC Derivatives;

(i) the ability of the relevant Recognised Clearing Houses to handle the expected volume and to manage the risk arising from the Clearing of the relevant class of OTC Derivatives;

(j) the type and number of counterparties active, and expected to be active within the market for the relevant class of OTC Derivatives;

(k) the amount of time a counterparty subject to the clearing obligation needs in order to put in place arrangements to clear its OTC Derivative Contracts through a Recognised Clearing House; and
the risk management and the legal and operational capacity of the range of
counterparties that are active in the market for the relevant class of OTC Derivatives
and that would fall within the scope of the clearing obligation.

143. **Access to a Recognised Clearing House in relation to OTC Derivative Contracts**

1. A Recognised Clearing House that has been authorised to clear OTC Derivative Contracts shall
accept clearing such contracts on a non-discriminatory and transparent basis, regardless of
the trading venue.

2. A Recognised Clearing House may require that a trading venue comply with the operational
and technical requirements established by the Recognised Clearing House, including the risk-
management requirements.

3. A Recognised Clearing House shall accede to or refuse a formal request for access by a trading
venue within three months of such a request.

4. Where a Recognised Clearing House refuses access under subsection (3), it shall provide the
trading venue with full reasons for such refusal.

5. Save where the competent authority of the trading venue and that of the Recognised Clearing
House refuse access, the Recognised Clearing House shall, subject to subsection (6), grant
access within three months of a decision acceding to the trading venue’s formal request in
accordance with subsection (3).

6. The competent authority of the trading venue and that of the Recognised Clearing House may
refuse access to the Recognised Clearing House following a formal request by the trading
venue only where such access would threaten the smooth and orderly functioning of the
markets or would adversely affect systemic risk.

7. This section applies only to Recognised Bodies established in the Abu Dhabi Global Market.

144. **Access to a trading venue in relation to OTC Derivative Contracts**

1. A trading venue shall provide trade feeds on a non-discriminatory and transparent basis to
any Recognised Clearing House that has been authorised to clear OTC Derivative Contracts
traded on that trading venue upon request by the Recognised Clearing House.

2. Where a request to access a trading venue has been formally submitted to a trading venue by
a Recognised Clearing House, the trading venue shall respond to the Recognised Clearing
House within three months.

3. Where access is refused by a trading venue, it shall notify the Recognised Clearing House
accordingly, providing full reasons.

4. Without prejudice to the decision by competent authorities of the trading venue and of the
Recognised Clearing House, access shall be made possible by the trading venue within three
months of a positive response to a request for access.

5. Access of the Recognised Clearing House to the trading venue shall be granted only where
such access would not require interoperability or threaten the smooth and orderly functioning
of markets in particular due to liquidity fragmentation and the trading venue has put in place
adequate mechanisms to prevent such fragmentation.
(6) This section applies only to Recognised Bodies established in the Abu Dhabi Global Market.

145. **Public register**

(1) The Regulator shall establish, maintain and keep up to date on its website a public register in order to identify the classes of OTC Derivatives subject to the clearing obligation.

(2) The register shall include—

(a) the classes of OTC Derivatives that are or will be subject to the clearing obligation;

(b) the dates from which the clearing obligation takes effect, including any phased-in implementation;

(c) the classes of OTC Derivatives identified by the Regulator that will be subject to the clearing obligation; and

(d) the minimum remaining maturity of the Derivative Contracts referred to in section 141(1)(b)(ii).

146. **Reporting obligation**

(1) Taking effect as from such date as is specified by the Regulator, Counterparties and Recognised Clearing Houses established in the Abu Dhabi Global Market shall ensure that the details of any OTC Derivative Contract they have concluded and any modification or termination of the contract are reported to a Trade Repository registered with the Regulator. The details shall be reported no later than the Business Day following the conclusion, modification or termination of the contract.

(2) A counterparty or a Recognised Clearing House which is subject to the reporting obligation in subsection (1) may delegate the reporting of the details of the OTC Derivative Contract. Counterparties and Recognised Clearing Houses shall ensure that the details of their OTC Derivative Contracts are reported without duplication.

(3) Counterparties shall keep a record of any OTC Derivative Contract they have concluded and any modification for at least five years following the termination of the contract.

(4) Where a Trade Repository is not available to record the details of an OTC Derivative Contract which is subject to the reporting obligation in subsection (1), counterparties and Recognised Clearing Houses shall ensure that such details are reported to the Regulator.

(5) A counterparty or a Recognised Clearing House that reports the details of an OTC Derivative Contract to a Trade Repository or to the Regulator, or an entity that reports such details on behalf of a counterparty or a Recognised Clearing House shall not be considered in breach of any restriction on disclosure of information imposed by that contract or by any enactment or subordinate legislation. No liability resulting from that disclosure shall lie with the reporting entity or its officers, agents or employees.

(6) The Regulator may make Rules specifying the details, type, format, frequency and reporting deadlines of the reports for the different classes of OTC Derivatives. The reports shall specify at least—
(a) the parties to the OTC Derivative Contract and, where different, the beneficiary of the rights and obligations arising from it; and

(b) the main characteristics of the OTC Derivative Contracts, including their type, underlying maturity, notional value, price, and settlement date.

147. **Non-Financial counterparties**

(1) Where a Non-Financial Counterparty takes positions in OTC Derivative Contracts and those positions exceed the Clearing threshold as specified under subsection (3), that Non-Financial Counterparty shall—

(a) immediately notify the Regulator;

(b) become subject to the clearing obligation for future contracts if the rolling average position over 30 Business Days exceeds the threshold; and

(c) clear all relevant future contracts within four months of becoming subject to the clearing obligation.

(2) A Non-Financial Counterparty that has become subject to the clearing obligation in accordance with subsection (1)(b) and that subsequently demonstrates to the Regulator that its rolling average position over 30 Business Days does not exceed the clearing threshold, shall no longer be subject to the clearing obligation.

(3) In calculating the positions referred to in subsection (1), the Non-Financial Counterparty shall include all the OTC Derivative Contracts entered into by the Non-Financial Counterparty or by other non-financial entities within the Group to which the Non-Financial Counterparty belongs, which are not objectively measurable as reducing risks directly relating to the commercial activity or treasury financing activity of the Non-Financial Counterparty or of that Group.

(4) The Regulator may make Rules specifying—

(a) criteria for establishing which OTC Derivative Contracts are objectively measurable as reducing risks directly relating to the commercial activity or treasury financing activity referred to in subsection (3); and

(b) values of the clearing thresholds, which are determined taking into account the systemic relevance of the sum of net positions and exposures per counterparty and per class of OTC Derivatives.

148. **Risk-mitigation techniques for OTC Derivative Contracts not cleared by a Recognised Clearing House**

(1) Financial Counterparties and Non-Financial Counterparties that enter into an OTC Derivative Contract not cleared by a Recognised Clearing House, shall ensure, exercising due diligence, that appropriate procedures and arrangements are in place to measure, monitor and mitigate operational risk and Counterparty Credit Risk, including at least—

(a) the timely confirmation, where available, by electronic means, of the terms of the relevant OTC Derivative Contract; and
(b) formalised processes which are robust, resilient and auditable in order to reconcile portfolios, to manage the associated risk and to identify disputes between parties early and resolve them, and to monitor the value of outstanding contracts.

(2) Taking effect as from such date as is specified by the Regulator, Financial Counterparties and Non-Financial Counterparties referred to in section 147 shall mark to market on a daily basis the value of outstanding contracts. Where market conditions prevent marking to market, reliable and prudent marking-to-model shall be used.

(3) Taking effect as from such date as is specified by the Regulator, Financial Counterparties shall have risk management procedures that require the timely, accurate and appropriately segregated exchange of collateral with respect to OTC Derivative Contracts. Non-Financial Counterparties referred to in section 147 shall have risk management procedures that require the timely, accurate and appropriately segregated exchange of collateral with respect to OTC Derivative Contracts that are entered into on or after the clearing threshold is exceeded.

(4) Taking effect as from such date as is specified by the Regulator, Financial Counterparties shall hold an appropriate and proportionate amount of capital to manage the risk not covered by appropriate exchange of collateral.

(5) The requirement laid down in subsection (3) shall not apply to an Intragroup Transaction that is entered into by counterparties which are both established in the Abu Dhabi Global Market provided that there is no current or foreseen practical or legal impediment to the prompt transfer of own funds or repayment of liabilities between counterparties.

(6) An Intragroup Transaction that is entered into by a counterparty which is established in the Abu Dhabi Global Market and a counterparty which is established outside the Abu Dhabi Global Market shall be exempt from the requirement laid down in subsection (3), provided that the following conditions are fulfilled—

(a) the risk management procedures of the counterparties are adequately sound, robust and consistent with the level of complexity of the derivative transaction; and

(b) there is no current or foreseen practical or legal impediment to the prompt transfer of own funds or repayment of liabilities between the counterparties.

(7) The counterparty of an Intragroup Transaction that is exempt from the requirement laid down in subsection (3) shall publicly disclose information on the exemption.

(8) The obligations set out in subsections (1) to (7) shall apply to OTC Derivative Contracts entered into between Non-Abu Dhabi Global Market Firms that would be subject to those obligations if they were established in the Abu Dhabi Global Market, provided that those contracts have a direct, substantial and foreseeable effect within the Abu Dhabi Global Market or where such obligation is necessary or appropriate to prevent the evasion of any provision of these Regulations.

(9) The Regulator shall regularly monitor the activity in OTC Derivatives not eligible for Clearing in order to identify cases where a particular Class of Derivatives may pose systemic risk and to prevent regulatory arbitrage between cleared and non-cleared derivative transactions.

(10) The Regulator may make Rules specifying—

(a) the procedures and arrangements referred to in subsection (1);
(b) the market conditions that prevent marking to market and the criteria for using marking-to-model referred to in subsection (2);

(c) the risk management procedures, including the levels and type of collateral and segregation arrangements, required for compliance with subsection (3);

(d) the applicable criteria referred to in subsections (5) and (6) including in particular what should be considered as practical or legal impediment to the prompt transfer of own funds and repayment of liabilities between the counterparties;

(e) the details of the information on exempt Intragroup Transactions referred to in subsection (7);

(f) the contracts that are considered to have a direct, substantial and foreseeable effect within the Abu Dhabi Global Market or the cases where it is necessary or appropriate to prevent the evasion of any provision of these Regulations as referred to in subsection (8); and

(g) the dates on which the provisions in this section come into effect.

(a) a Market Contract;

(b) the Default Rules of a Recognised Body;

(c) the rules of a Recognised Body as to the Settlement of Market Contracts not dealt with under its Default Rules;

(d) the application, transfer or realisation of any Collateral Security Arrangements;

(e) a transfer of a Clearing Member Client Contract, or the Settlement of a Clearing Member Client Contract or a Clearing Member House Contract, in accordance with the Default Rules of a Recognised Clearing House;

(f) where a Clearing Member Client Contract transferred in accordance with the Default Rules of a Recognised Clearing House was entered into by the Clearing Member or Client as principal, a transfer of a Client Trade or group of Client Trades corresponding to that Clearing Member Client Contract;

(g) a transfer of a Qualifying Collateral Arrangement in conjunction with the transfer of Clearing Member Client Contract as mentioned in paragraph (e) or of a Client Trade as mentioned in paragraph (f);

(h) a Qualifying Property Transfer;

(i) a Collateral Security Arrangement;

(j) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and

(k) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body;

irrespective of the law applicable to the Market Contract or the Default Rules.

(2) The powers of a Relevant Office-Holder in his capacity as such, and the powers of the Court under the Insolvency Regulations 2015 shall not be exercised in such a way as to prevent or interfere with—

(a) any action taken under the Default Rules of a Recognised Body;
(b) the Settlement in accordance with the rules of a Recognised Body of a Market Contract not dealt with under its Default Rules;

(c) the transfer of a Clearing Member Client Contract, or the Settlement of a Clearing Member Client Contract or a Clearing Member House Contract, in accordance with the Default Rules of a Recognised Clearing House;

(d) where a Clearing Member Client Contract transferred in accordance with the Default Rules of a Recognised Clearing House was entered into by the Clearing Member or Client as principal, the transfer of a Client Trade or group of Client Trades corresponding to that Clearing Member contract;

(e) the transfer of a Qualifying Collateral Arrangement in conjunction with a transfer of a Clearing Member Client Contract as mentioned in paragraph (c), or a transfer of a Client Trade as mentioned in paragraph (d);

(f) any action taken to give effect to any of the matters mentioned in paragraphs (c) to (e);

(g) any action taken to give effect to a Qualifying Property Transfer;

(h) a Collateral Security Arrangement;

(i) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and

(j) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body.

This does not prevent a Relevant Office-Holder from afterwards seeking to recover any amount under sections 159(5) or 160(3) or prevent the Court from afterwards making any such order or decree as is mentioned in sections 161(1) (but subject to subsections (2) and (3) of that section).

(3) Nothing in the following provisions of this Part shall be construed as affecting the generality of the above provisions.

(4) A debt or other liability arising out of a Market Contract which is the subject of Default Proceedings may not be proved in a Winding-Up or bankruptcy or in the Administration of a Company or other body, until the completion of the Default Proceedings. A debt or other liability which by virtue of this subsection may not be proved or claimed shall not be taken into account for the purposes of any set off until the completion of the Default Proceedings.

(5) However, prior to the completion of Default Proceedings—

(a) where it appears to the chairman of the meeting of creditors that a sum will be certified under section 158(1) to be payable, subsection (4) shall not prevent any proof or claim including or consisting of an estimate of that sum which has been lodged from being admitted for the purpose only of determining the entitlement of a creditor to vote at a meeting of creditors; and
(b) a creditor whose claim or proof has been lodged and admitted for the purpose of determining the entitlement of a creditor to vote at a meeting of creditors and which has not been subsequently wholly withdrawn, disallowed or rejected, is eligible as a creditor to be a member of a Liquidation Committee or, or in the Administration of a Company or other body a Creditors’ Committee (both as defined in the Insolvency Regulations 2015).

(6) For the purposes of subsections (4) and (5) the Default Proceedings shall be taken to be completed in relation to a person when a report is made under section 158 stating the sum (if any) certified to be due to or from him.

156. **Duty to give assistance for purposes of Default Proceedings**

(1) It is the duty of—

(a) any person who has or had control of any assets of a Defaulter; and

(b) any person who has or had control of any Documents of or relating to a Defaulter;

and to give a Recognised Body such assistance as it may reasonably require for the purposes of its Default Proceedings.

This applies notwithstanding any duty of that person under the Insolvency Regulations 2015.

(2) A person shall not under this section be required to provide any information or produce any Document which is deemed to be a Privileged Communication (as defined in the Insolvency Regulations 2015).

(3) Where original Documents are supplied in pursuance of this section, the Recognised Body shall return them forthwith after the completion of the relevant Default Proceedings, and shall in the meantime allow reasonable access to them to the person by whom they were supplied and to any person who would be entitled to have access to them if they were still in the control of the person by whom they were supplied.

(4) The expenses of a Relevant Office-Holder in giving assistance under this section are recoverable as part of the expenses incurred by him in the discharge of his duties and he shall not be required under this section to take any action which involves expenses which cannot be so recovered, unless the Recognised Body undertakes to meet them. There shall be treated as expenses its reasonable sums as it may determine in respect of time spent in giving the assistance and for the purpose of determining the priority in which its expenses are payable out of the assets, sums in respect of time spent shall be treated as his remuneration and other sums shall be treated as his disbursements.

157. **Supplementary provisions as to Default Proceedings**

(1) If the Court is satisfied on an application by a Relevant Office-Holder that a party to a Market Contract with a Defaulter intends to dissipate or apply his assets so as to prevent the Relevant Office-Holder recovering such sums as may become due upon the completion of the Default Proceedings, the Court may grant such interlocutory relief as it thinks fit.

(2) A liquidator, Administrator or trustee of a Defaulter shall not—

(a) declare or pay any dividend to the creditors; or
(b) return any capital to contributories;

unless he has retained what he reasonably considers to be an adequate reserve in respect of any claims arising as a result of the Default Proceedings of the Recognised Body concerned.

(3) The Court may on an application by a Relevant Office-Holder make such order as it thinks fit altering or dispensing from compliance with such of the duties of his office as are affected by the fact that Default Proceedings are pending or could be taken, or have been or could have been taken.

(4) Nothing in sections 42, 43, 44, 45 (including as applied by section 46), 193, or Article 20 of Chapter 3 of Schedule 10 of the Insolvency Regulations 2015 (all of which restrict the taking of certain legal proceedings and other steps), shall affect any action taken by a Recognised Body for the purpose of its Default Proceedings.

158. Duty to report on completion of Default Proceedings

(1) Subject to subsection (2), a Recognised Body shall, on the completion of proceedings under its Default Rules, report to the Regulator on its proceedings stating in respect of each creditor or debtor the sum or sums certified by them to be payable from or to the Defaultor or, as the case may be, the fact that no sum is payable.

(2) A Non-Abu Dhabi Global Market Recognised Body shall not be subject to the obligation under subsection (1) unless it has been notified by the Regulator that a report is required for the purpose of insolvency proceedings in the Abu Dhabi Global Market.

(3) The report under subsection (1) need not deal with a Market Contract which has been transferred in accordance with the Default Rules of a Recognised Clearing House.

(4) The Recognised Body may make a single report or may make reports from time to time as proceedings are completed with respect to the transactions affecting particular persons.

(5) The Recognised Body shall supply a copy of every report under this section to the Defaultor and to any Relevant Office-Holder acting in relation to him or his estate.

(6) When a report under this section is received by the Regulator, it shall publish notice of that fact in such manner as it thinks appropriate for bringing the report to the attention of creditors and debtors of the Defaultor.

(7) A Recognised Body shall make available for inspection by a creditor or debtor of the Defaultor so much of any report by it under this section as relates to the sum (if any) certified to be due to or from him or the method by which that sum was determined.

(8) Any such person may require the Recognised Body, on payment of such reasonable fee as the Recognised Body may determine, to provide him with a copy of any part of a report which he is entitled to inspect.

159. Net sum payable on completion of Default Proceedings

(1) The following provisions apply with respect to a net sum certified by a Recognised Body under its Default Rules to be payable by or to a Defaultor.
(2) Any net sum certified by a Recognised Body under its Default Rules shall be final and of declaratory effect, unless manifest error or fraud can be shown or any other subsection of this section provides otherwise.

(3) If, in the Abu Dhabi Global Market, a petition for Winding-Up has been made, an administration order has been granted, or a resolution for voluntary Winding-Up has been passed, the debt—

(a) is provable in the Winding-Up or Administration or, as the case may be, is payable to the Relevant Office-Holder; and

(b) shall be taken into account, where appropriate, paragraph 24 of Schedule 5 of the Insolvency Regulations 2015 (Administration: mutual dealings and set-off) or the corresponding provision applicable in the case of Winding-Up or Administration;

in the same way as a debt due before the commencement of the bankruptcy, the date on which the Body Corporate goes into liquidation (within the meaning of section 299(2) of the Insolvency Regulations 2015), or enters Administration or, in the case of a Limited Liability Partnership (as defined in the Insolvency Regulations 2015), the date of the Winding-Up order or the date on which the Limited Liability Partnership enters Administration.

(4) In subsection (3), a reference to the making of an administration order shall be taken to include a reference to the appointment of an Administrator under—

(a) section 21 of the Insolvency Regulations 2015 (Power to appoint); or

(b) section 29 of the Insolvency Regulations 2015 (Power to appoint).

(5) However, where (or to the extent that) a sum is taken into account by virtue of subsection (3)(b) which arises from a contract entered into at a time when the creditor had notice—

(a) that a meeting of creditors had been summoned under section 171 of the Insolvency Regulations 2015 or that a Winding-Up petition was pending; or

(b) that an application for an administration order was pending or that any person had given notice of intention to appoint an Administrator;

the value of any profit to him arising from the sum being so taken into account (or being so taken into account to that extent) is recoverable from him by the Relevant Office-Holder unless the Court directs otherwise.

(6) Subsection (5) does not apply in relation to a sum arising from a contract effected under the Default Rules of a Recognised Body.

(7) Any sum recoverable by virtue of subsection (5) ranks for priority, in the event of the insolvency of the person from whom it is due, immediately before preferential debts.

160. Disclaimer of property, rescission of contracts, etc.

(1) Section 218 of the Insolvency Regulations 2015 (Power to disclaim onerous property) does not apply in relation to—
(a) a Market Contract;
(b) a Qualifying Collateral Arrangement;
(c) a transfer of a Clearing Member Client Contract, a Client Trade or a Qualifying Collateral Arrangement, as mentioned in paragraphs (c) to (e) of section 154(1);
(d) a Qualifying Property Transfer;
(e) a contract effected by Recognised Body for the purpose of realising property provided as margin in relation to Market Contracts or as Default Fund Contribution;
(f) a Collateral Security Arrangement;
(g) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and
(h) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body.

(2) Section 209 (Consequences of a Winding-Up order) of the Insolvency Regulations 2015 does not apply to—
(a) a Market Contract, or any disposition of property in pursuance of such a contract;
(b) the provision of margin in relation to Market Contracts;
(c) the provision of Default Fund Contribution to the Recognised Body;
(d) a Qualifying Collateral Arrangement;
(e) a transfer of a Clearing Member Client Contract, a Client Trade or a Qualifying Collateral Arrangement, as mentioned in paragraphs (c) to (e) of section 154(1);
(f) a Qualifying Property Transfer;
(g) a contract effected by the Recognised Body for the purpose of realising property provided as margin in relation to a Market Contract or as Default Fund Contribution, or any disposition of property in pursuance of such a contract;
(h) any disposition of property in accordance with the rules of the Recognised Body as to the application of property provided as margin or as Default Fund Contribution;
(i) a Collateral Security Arrangement;
(j) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and
(k) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body.

(3) However, where—
(a) a Market Contract is entered into by a person who has notice that a petition has been presented for the Winding-Up of the estate of the other party to the contract;

(b) an order under section 154(1)(h) becomes irrevocable with respect to a person who has notice that a petition has been presented for the Winding-Up of the estate of another person affected by such order;

(c) a product or security subject of a Market Contract under section 154(1)(i) becomes deliverable by or to a person who has notice that a petition has been presented for the Winding-Up of the estate of the other party to the dealing or contract; or

(d) margin in relation to a Market Contract or Default Fund Contribution is accepted by a person who has notice that such a petition has been presented in relation to the person by whom or on whose behalf the margin or Default Fund Contribution is provided;

the value of any profit to him arising from the contract or, as the case may be, the amount or value of the collateral to be transferred, deliverable, margin or Default Fund Contribution is recoverable from him by the Relevant Office-Holder unless the Court directs otherwise.

(4) Subsection (3)(a) does not apply where the person entering into the contract is a Recognised Body acting in accordance with its rules, or where the contract or order is effected under the Default Rules of such a Recognised Body, but subsection (3)(d) applies in relation to the provision of—

(a) a margin in relation to any such contract, unless the contract has been transferred in accordance with the Default Rules of the Recognised Clearing House;

(b) a Default Fund Contribution;

(c) a Collateral Security Arrangement;

(d) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and

(e) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body.

(5) Any sum recoverable by virtue of subsection (3) ranks for priority, in the event of the insolvency of the person from whom it is due, immediately before preferential debts.

161. Adjustment of prior transactions

(1) No order shall be made in relation to a transaction to which this section applies under—

(a) section 257 of the Insolvency Regulations 2015 (Transactions at an undervalue); or

(b) section 258 of the Insolvency Regulations 2015 (Preferences).

(2) This section applies to—
(a) a Market Contract to which a Recognised Body is a party or which is entered into under its Default Rules; and

(b) a disposition of property in pursuance of a Market Contract referred to in paragraph (a).

(3) Where margin is provided in relation to a Market Contract and (by virtue of subsection (2)(a) or otherwise) no such order or decree as is mentioned in subsection (1) has been, or could be, made in relation to that contract, this section applies to—

(a) the provision of the margin;

(b) a Qualifying Collateral Arrangement;

(c) any contract effected by the Recognised Body in question for the purpose of realising the property provided as margin; and

(d) any disposition of property in accordance with the rules of the Recognised Body in question as to the application of property provided as margin.

(4) This section also applies to—

(a) the provision of Default Fund Contribution to a Recognised Body;

(b) any contract effected by a Recognised Body for the purpose of realising the property provided as Default Fund Contribution;

(c) any disposition of property in accordance with the rules of the Recognised Body as to the application of property provided as Default Fund Contribution;

(d) a transfer of a Clearing Member Client Contract, a Client Trade or a Qualifying Collateral Arrangement as mentioned in paragraphs (c) to (e) of section 154(1); and

(e) a Qualifying Property Transfer.

162. Powers to give Directions

(1) The powers conferred by this section are exercisable in relation to a Recognised Body.

(2) Where in any case a Recognised Body has not taken action under its Default Rules—

(a) if it appears to the Regulator that it could take action, the Regulator may direct it to do so; and

(b) if it appears to the Regulator that it is proposing to take or may take action, the Regulator may direct it not to do so.

(3) Before giving such a Direction the Regulator shall consult the Recognised Body in question, and it shall not give a Direction unless it is satisfied, in the light of that consultation—

(a) in the case of a Direction to take action, that failure to take action would involve undue risk to investors or other participants in the market;
(b) in the case of a Direction not to take action, that the taking of action would be premature or otherwise undesirable in the interests of investors or other participants in the market; or

(c) in either case, that the Direction is necessary having regard to the public interest in the stability of the Abu Dhabi Global Market Financial System.

(4) The Regulator may give a Direction to a Relevant Office-Holder appointed in respect of a Defaulting Clearing Member to take any action, or refrain from taking any action, if the Direction is given for the purposes of facilitating—

(a) the transfer of a Clearing Member Client Contract, a Client Trade or a Qualifying Collateral Arrangement;

(b) a Qualifying Property Transfer;

(c) the settlement of a Collateral Security Arrangement;

(d) orders for the delivery of Cash or non-Cash collateral to or from a Recognised Body which have become final and irrevocable under the rules of the Recognised Body; and

(e) the Settlement or delivery of a product or security subject of a Market Contract following expiry or close-out of the Market Contract pursuant to the rules of a Recognised Body.

(5) The Relevant Office-Holder to whom a Direction is given under subsection (4)—

(a) must comply with the Direction notwithstanding any duty on the Relevant Office-Holder under the Insolvency Regulations 2015; but

(b) is not required to comply with the Direction given if the value of the Clearing Member’s estate is unlikely to be sufficient to meet the Relevant Office-Holder’s reasonable expenses of complying.

(6) The expenses of the Relevant Office-Holder in complying with a Direction of the Regulator under subsection (4) are recoverable as part of the expenses incurred in the discharge of the Relevant Office-Holder’s duties.

(7) A Direction shall specify the grounds on which it is given.

(8) A Direction not to take action may be expressed to have effect until the giving of a further Direction (which may be a Direction to take action or simply revoking the earlier Direction).

(9) No Direction shall be given not to take action if, in relation to the person in question—

(a) a Winding-Up order has been made; or

(b) a resolution for voluntary winding up has been passed or an Administrator, Administrative Receiver or provisional liquidator has been appointed;

and any previous Direction not to take action shall cease to have effect on the making or passing of any such order, award or appointment.
(10) Where a Recognised Body has taken or been directed to take action under its Default Rules, the Regulator may direct it to do or not to do such things (being things which it has power to do under its Default Rules) as are specified in the Direction.

(11) Where the Recognised Body is acting in accordance with a Direction under subsection (2)(a) that was given only by virtue of subsection (3)(a), the Regulator shall not give a Direction under subsection (10) unless it is satisfied that the Direction under that subsection will not impede or frustrate the proper and efficient conduct of the Default Proceedings.

(12) Where the Recognised Body has taken action under its Default Rules without being directed to do so, the Regulator shall not give a Direction under subsection (10) unless—

(a) it is satisfied that the Direction under that subsection will not impede or frustrate the proper and efficient conduct of the Default Proceedings; or

(b) it is satisfied that the Direction is necessary having regard to the public interest in the stability of the Abu Dhabi Global Market Financial System.

(13) A Direction under this section is enforceable, on the application of the Regulator, by injunction, and where a Recognised Body or a Relevant Office-Holder has not complied with a Direction, the Court may make such order as it thinks fit for restoring the position to what it would have been if the Direction had been complied with.

163. Application to determine whether Default Proceedings to be taken

(1) This section applies where a Relevant Insolvency Event has occurred in the case of—

(a) a Recognised Investment Exchange or a member or Designated Non-Member of a Recognised Investment Exchange;

(b) a Recognised Clearing House or a member of a Recognised Clearing House; or

(c) a Client which is providing Indirect Clearing Services to an Indirect Client.

The Recognised Investment Exchange, member, Designated Non-Member, Recognised Clearing House or Client in whose case a Relevant Insolvency Event has occurred is referred to below as the "Person in Default".

(2) For the purposes of this section a "Relevant Insolvency Event" occurs where—

(a) a Winding-Up order is made;

(b) an administration order is made;

(c) an Administrator is appointed under section 21 of the Insolvency Regulations 2015 (Power to appoint) or under section 29 of the Insolvency Regulations 2015 (Power to appoint);

(d) a resolution for voluntary Winding-Up is passed; or

(e) an order appointing a provisional liquidator is made.
(3) Where in relation to a person in default a Recognised Body (the "Responsible Recognised Body")—

(a) has power under its Default Rules to take action in consequence of the Relevant Insolvency Event or the matters giving rise to it; but

(b) has not done so;

a Relevant Office-Holder appointed in connection with or in consequence of the Relevant Insolvency Event may apply to the Regulator.

(4) The application shall specify the Responsible Recognised Body and the grounds on which it is made.

(5) On receipt of the application the Regulator shall notify the Responsible Recognised Body, and unless within three Business Days after the day on which the notice is received the Responsible Recognised Body—

(a) takes action under its Default Rules; or

(b) notifies the Regulator that it proposes to do so forthwith;

then, subject as follows, the provisions of sections 154 to 161 do not apply in relation to Market Contracts to which the Person in Default is a party or to anything done by the Responsible Recognised Body for the purposes of, or in connection with, the Settlement of any such contract.

(6) The provisions of sections 154 to 161 are not disappplied if before the end of the period mentioned in subsection (5) the Regulator gives the Responsible Recognised Body a Direction under section 162(2)(a). No such Direction may be given after the end of that period.

(7) If the Responsible Recognised Body notifies the Regulator that it proposes to take action under its Default Rules forthwith, it shall do so, and that duty is enforceable, on the application of the Regulator, by injunction.

164. Supplementary provisions

(1) Sections 132 and 134 apply in relation to a failure by a Recognised Body to comply with an obligation under this Part as to a failure to comply with an obligation under those sections.

(2) Where the recognition of a Recognised Body is revoked under section 134, the Regulator may, before or after the Revocation Order, give such Directions as it thinks fit with respect to the continued application of the provisions of this Part, with such exceptions, additions and adaptations as may be specified in the Direction, in relation to cases where a relevant event of any description specified in the Directions occurred before the Revocation Order takes effect.

(3) Part 21 may make provision in relation to a notice, Direction or other Document required or authorised by or under this Part to be given to or served on any person other than the Regulator.

(1) This Part applies to transactions cleared through a Non-Abu Dhabi Global Market Clearing House by a Clearing Member or a Client as it applies to transactions cleared through a Recognised Clearing House, but subject to the modifications in subsections (2) and (3).

(2) The Regulator shall not approve a Non-Abu Dhabi Global Market Clearing House unless it is satisfied—

(a) that the rules and practices of the body, together with the law of the country in which the body's head office is situated, provide adequate procedures for dealing with the default of persons party to contracts connected with the body; and

(b) that it is otherwise appropriate to approve the body.

(3) The reference in subsection (2)(a) to default is to a person being unable to meet his obligations.

(4) A Non-Abu Dhabi Global Market Clearing House may apply to the Regulator for an order recognising that the Relevant Provisions of its Default Rules satisfy the Relevant Requirements.

(5) The Application must be made in such manner, and must be accompanied by such information, Documents and reports, as the Regulator may direct.

(6) Information, Documents and reports required under subsection (5) must be provided in English and be given at such times, in such form and at such place, and verified in such manner, as the Regulator may direct.

(7) The Regulator may make an order recognising that the Relevant Provisions of the Default Rules satisfy the Relevant Requirements.

(8) The Regulator may by order revoke an order made under subsection (7) if—

(a) the Non-Abu Dhabi Global Market Clearing House consents;

(b) the Non-Abu Dhabi Global Market Clearing House has failed to pay a fee which is owing to the Regulator in accordance with Rules made under section 7(8);

(c) the Non-Abu Dhabi Global Market Clearing House is failing or has failed to comply with a requirement of or imposed under section 153 (as modified by section 166); or

(d) it appears to the Regulator that the Relevant Provisions no longer satisfy the Relevant Requirements.

(9) An order made under subsection (7) or (8) must state the time and date when it is to have effect.

(10) An order made under subsection (8) may contain such transitional provision as the Regulator considers appropriate.

(11) The Regulator must—

(a) maintain a register of orders made under subsection (7) which are in force; and
(b) publish the register in such manner as it appears to the Regulator to be appropriate.

(12) Section 135 applies to a refusal to make an order under subsection (7) or the making of a revocation order under subsection (8)(b), (c) or (d) as it applies to the making of a Revocation Order under section 134, but with the following modifications—

(a) for "Recognised Body" substitute "Non-Abu Dhabi Global Market Clearing House"; and

(b) in sections 135(6) and (7), for "give a Direction under section 132 or 133" substitute "make an order under section 165(8)".

(13) If the Regulator refuses to make an order under subsection (7) or makes an order under subsection (8)(b), (c) or (d), the Non-Abu Dhabi Global Market Clearing House may refer the matter for review by the Regulatory Committee.

(14) The Regulator may rely on information or advice from a Non-Global Market Competent Authority in its determination of an Application under subsection (4) or the making of a Revocation Order under subsection (8)(d).

166. Change in Default Rules

(1) A Non-Abu Dhabi Global Market Recognised Clearing House in respect of which an order under section 165(7) has been made and not revoked must give the Regulator at least one month's notice of any proposal to amend, revoke or add to its Default Rules.

(2) The Regulator may, if it considers it appropriate to do so, agree a shorter period of notice.

(3) Where notice is given to the Regulator under subsection (1), a Non-Abu Dhabi Global Market Recognised Clearing House must provide the Regulator with such information, Documents and reports as the Regulator may require.

(4) Information, Documents and reports required under subsection (3) must be provided in English and be given at such times, in such form and at such place, and verified in such a manner, as the Regulator may direct.

(5) Section 158 does not apply to a Non-Abu Dhabi Global Market Recognised Clearing House unless it has been notified by the Regulator that a report under that section is required for the purposes of insolvency proceedings in the Court.

(6) In relation to a Non-Abu Dhabi Global Market Recognised Clearing House, references in this Part to the "rules" or "Default Rules" of the Recognised Clearing House are to be taken not to include references to any Relevant Provisions unless—

(a) the Relevant Provisions satisfy the Relevant Requirements; or

(b) the Regulator has made an order under section 165(7) recognising that the Relevant Provisions of its Default Rules satisfy the Relevant Requirements and the order has not been revoked.

Collateral Security Arrangements

167. Collateral Security Arrangements
(1) In this Part "Collateral Security Arrangements" means any realisable assets provided under a Charge, whether fixed or floating, or a repurchase or similar agreement or otherwise (including money provided under a Charge), granted—

(a) in favour of a Recognised Investment Exchange, for the purpose of securing debts or liabilities arising in connection with the Settlement of Market Contracts;

(b) in favour of a Recognised Clearing House, for the purpose of securing debts or liabilities arising in connection with their ensuring the performance of Market Contracts;

(c) to a central bank for the purpose of security rights and obligations in connection with its operations in carrying out its function as a central bank; or

(d) in favour of a person who agrees to make payments as a result of the transfer or allotment of specified Financial Instruments or payments made through the medium of a computer based system established by the Regulator, for the purpose of securing debts or liabilities of the transferee or allottee arising in connection therewith.

(2) Where a Charge is granted partly for purposes specified in subsections (1)(a), (b) or (d) and partly for other purposes, it is a "Collateral Security Arrangement" so far as it has effect for the specified purposes.

168. Administration orders

(1) The insolvency provisions outlined in the Insolvency Regulations 2015 have effect in relation to Collateral Security Arrangements and action taken in enforcing them subject to the provisions of this section.

(2) The following provisions of Part 1 of the Insolvency Regulations 2015 do not apply in relation to a Collateral Security Arrangement—

(a) section 46 (Interim moratorium); and

(b) section 101 (Hire-purchase property).

(3) Section 159 of the Insolvency Regulations (Vacation of office) does not apply to a receiver appointed under a Collateral Security Arrangement.

(4) However, where a Collateral Security Arrangement falls to be enforced after the occurrence of an event to which subsection (5) applies, and there exists another Charge over some or all of the same property ranking in priority to or pari passu with the Collateral Security Arrangement, on the application of any person interested the Court may order that there shall be taken after enforcement of the Collateral Security Arrangement such steps as the Court may direct for the purpose of ensuring that the chargee under the other Charge is not prejudiced by the enforcement of the Collateral Security Arrangement.

(5) This subsection applies to—

(a) making an Administration application under section 8 of the Insolvency Regulations 2015; and
(b) filing with the Court a copy of notice of intention to appoint an Administrator under Chapter 4 of Part 1 of the Insolvency Regulations 2015.

(6) Section 170 of the Insolvency Regulations 2015 (Power to dispose of charged property) does not apply in relation to a Collateral Security Arrangement.

(7) Section 209 of the Insolvency Regulations 2015 (Consequences of Winding-Up order) does not apply to a disposition of property as a result of which the property becomes subject to a Collateral Security Arrangement or any transaction pursuant to which that disposition is made.

(8) However, if a person who is party to a disposition mentioned in subsection (7) has notice at the time of the disposition that a petition has been presented for the Winding-Up or bankruptcy of the estate of the party making the disposition, the value of any profit to him arising from the disposition is recoverable from him by the Relevant Office-Holder unless—

(a) the person is a chargee under the Collateral Security Arrangement;

(b) the disposition is made in accordance with the Default Rules of a Recognised Clearing House for the purposes of transferring a position or Asset of a Clearing Member in Default; or

(c) the Court directs otherwise.

(9) Any sum recoverable by virtue of subsection (8) ranks for priority, in the event of the insolvency of the person from whom it is due, immediately before preferential debts.

(10) In a case falling within both subsection (7) (as a disposition of property as a result of which the property becomes subject to a Collateral Security Arrangement) and section 160(2) (as the provision of margin in relation to a Market Contract), section 160(3) applies with respect to the recovery of the amount or value of the margin and subsection (8) does not apply.

169. **Power to make provision about certain other Charges**

(1) The Regulator may by Rules provide that the Insolvency Regulations 2015 have effect in relation to Charges of such descriptions as may be Specified, and action taken in enforcing them, subject to such provisions as may be Specified.

**Market property**

170. *Application of margin or Default Fund Contribution not affected by certain other interests*

(1) The following provisions have effect with respect to the application by a Recognised Body of property (other than Real Property) held by the Recognised Body as margin in relation to a Market Contract or as Default Fund Contribution.

(2) So far as necessary to enable the property to be applied in accordance with the rules of the Recognised Body, it may be so applied notwithstanding any prior equitable interest or right, or any right or remedy arising from a breach of fiduciary duty, unless the Recognised Body had received actual written notice of the interest, right or breach of duty at the time the property was provided as margin or as Default Fund Contribution. In order to be valid, any notice under this subsection may only be delivered to the Recognised Body by one of its members and must be delivered in accordance with or in order to satisfy applicable Rules made by the Regulator on Client Money in accordance with section 4, or similar rules in any non-Abu Dhabi Global Market jurisdiction.

(3) No right or remedy arising subsequently to the property being provided as margin or as Default Fund Contribution may be enforced so as to prevent or interfere with the application of the property by the Recognised Body in accordance with its rules.

(4) Where a Recognised Body has power by virtue of the above provisions to apply property notwithstanding an interest, right or remedy, a person to whom the exchange or clearing house disposes of the property in accordance with its rules takes free from that interest, right or remedy.

(5) The records and accounts of a Recognised Body detailing the Clearing Member House Contracts, Clearing Member Client Contracts, relevant Client Trades and the corresponding property provided by way of margin with respect to each such category of Market Contract, shall be final and definitive in relation to the rights of the Recognised Body to take action
under its Default Rules, including applying property or its proceeds against liabilities or aggregating property or its proceeds with amounts in either case recorded in particular accounts, which may take place notwithstanding any prior or competing equitable interest or right, or any right or remedy arising from a breach of fiduciary duty on the part of any Clearing Member, Client or other party, whether relevant to a Market Contract or any corresponding property provided by way of margin, excepting only cases of actual written notice referred to in subsection (2).

171. **Priority of floating Collateral Security Arrangement over subsequent Charges**

(2) The Rules may make different provision for cases defined, as regards the Collateral Security Arrangement or the subsequent Charge, by reference to the description of Charge, its terms, the circumstances in which it is created or arises, the nature of the Charge, the person in favour of whom it is granted or arises or any other relevant factor.

172. **Priority of Collateral Security Arrangement over unpaid vendor’s lien**

Where property subject to an unpaid vendor’s lien becomes subject to a Collateral Security Arrangement, the Charge has priority over the lien unless the chargee had actual notice of the lien at the time the property became subject to the Charge.

173. **Proceedings against market property by unsecured creditors**

(1) Where property (other than Real Property) is held by a Recognised Body as margin in relation to Market Contracts or as Default Fund Contribution, or is subject to a Collateral Security Arrangement, no execution or other legal process for the enforcement of a judgment or order may be commenced or continued, and no distress may be levied against the property by a person not seeking to enforce any interest in or security over the property, except with the consent of—

(a) in the case of property provided as cover for margin or as Default Fund Contribution, the Recognised Body in question; or

(b) in the case of property subject to a Collateral Security Arrangement, the person in whose favour the Charge was granted.

(2) Where consent is given the proceedings may be commenced or continued notwithstanding any provision of the Insolvency Regulations 2015.

in so far as the making of the order or the doing of the act would be prohibited in the case of the Court in the Abu Dhabi Global Market or a Relevant Office-Holder by provisions made by or under this Part.

177. Indemnity for certain acts

(1) Where a Relevant Office-Holder takes any action in relation to property of a Defaulter which is liable to be dealt with in accordance with the Default Rules of a Recognised Body, and believes and has reasonable grounds for believing that he is entitled to take that action, he is not liable to any person in respect of any loss or damage resulting from his action except in so far as the loss or damage is caused by the Relevant Office-Holder’s own negligence.

(2) Any failure by a Recognised Body to comply with its own rules in respect of any matter shall not prevent that matter being treated for the purposes of this Part as done in accordance with
those rules so long as the failure does not substantially affect the rights of any person entitled to require compliance with the rules.

(3) No Recognised Body, nor any officer or servant or member of the governing body of a Recognised Body, shall be liable in damages for anything done or omitted in the discharge or purported discharge of any functions to which this subsection applies unless the act or omission is shown to have been in bad faith.

178. Action taken under Default Rules

(1) For the purposes of the definition of "Defaulter", where a Recognised Clearing House takes action under the rules referred to in the definition of "Default Rules", the action is to be treated as taken in respect of the Client providing the Indirect Clearing Services.

(2) If a Recognised Body takes action under its Default Rules in respect of a person, all subsequent proceedings under its rules for the purposes of or in connection with the Settlement of Market Contracts to which the Defaulter is a party shall be treated as done under its Default Rules.

(c) made in good faith for the purposes of the exercise of the functions and powers of the Regulator or in order to further the Regulator’s objectives.

(2) Any disclosure by the Regulator pursuant to subsection (1) may include, insofar as the Regulator considers appropriate, provisions—

(b) restricting the uses to which Confidential Information disclosed may be put.

200. Removal of other restrictions on disclosure

(b) by Specified persons, or persons of a Specified description, to the Regulator for the purpose of assisting or enabling the Regulator to discharge Specified functions.

(2) Rules under this section may not make any provision in relation to the disclosure of Confidential Information by primary recipients or by any person obtaining Confidential Information directly or indirectly from a primary recipient.

(3) If a person discloses any information as permitted by Rules made under this section the disclosure is not to be taken as a contravention of any duty to which he is subject.
**Part 17 Information Gathering, Prudential Directions, Skilled Person Reports, Investigations and Cooperation**

**Power to gather information**

201. **The Regulator's power to require information**

(1) If the Regulator reasonably considers that it requires information or Documents in connection with the exercise by the Regulator of any of its functions or powers, or to further one or more of its objectives, the Regulator or an Officer appointed in writing by the Regulator, may, by notice in writing given to a person specified in subsection (2), require him—

(a) to provide Specified information or information of a Specified description; or

(b) to produce Specified Documents or Documents of a Specified description;

in such form as the Regulator may reasonably require.

(3) The information or Documents must be provided or produced—

(a) before the end of such reasonable period as may be Specified; and

(b) at such place as may be Specified.

(4) Nothing in this section prevents the Regulator from making a request for information to be provided on a voluntary basis, or prevents a person from responding to such a request.

**Power to issue directions for prudential purposes**

202. **Power to issue directions for prudential purposes**

(1) For prudential purposes, the Regulator may direct that a particular Authorised Person or Authorised Persons within a specified class—

(b) apply a specific provisioning policy or treatment of Specified assets;

(c) comply with Specified limits on material risk exposures;

(d) comply with Specified limits on exposures to related parties;

(e) meet additional or more frequent reporting requirements; or

(f) take such other action as is Specified.

(2) The Regulator may direct an Affiliate of an Authorised Person or Recognised Body to take Specified steps or not to carry out Specified activities if the Regulator—

(a) is the consolidated supervisor of the Group to which the Authorised Person or Recognised Body belongs; and
is satisfied that the direction is necessary or desirable for the purposes of the effective prudential supervision of the Group on a consolidated basis.

(3) A direction to an Affiliate under subsection (2) may include a requirement that the Affiliate—

(a) limit any activities it undertakes or may undertake (including closing any office that is outside the jurisdiction in which it has its principal place of business and head office) if the activities are reasonably likely to expose the Authorised Person, Recognised Body or its Group to excessive risks or risks that are not properly managed; or

(b) take such other measures as are necessary to remove any impediments to effective supervision of the Group on a consolidated basis, including a direction to take steps to restructure the Group.

(4) A direction issued under this section comes into force on the date specified in it and remains in force, subject to subsection (6), until it is revoked or varied in writing by the Regulator pursuant to subsection (5).

(5) The Regulator may, by notice, revoke or vary any direction given pursuant to this section.

(6) A direction issued to Authorised Persons within a specified class under subsection (1), including any variation made to such a direction pursuant to subsection (5), shall not remain in force for a period longer than 12 months from the date specified in the initial direction issued pursuant to subsection (1).

Skilled Persons

203. Reports by skilled persons

(1) This section applies where the Regulator has required or could require a person to whom subsection (2) applies (the "Person Concerned") to provide information or produce Documents with respect to any matter (the "Matter Concerned").

(2) This subsection applies to—

(a) an Authorised Person or Recognised Body ("A");

(b) any other member of A’s Group;

(c) a Partnership of which A is a member; or

(d) a person who has at any relevant time been a person falling within paragraph (a), (b) or (c);

who is, or was at the relevant time, carrying on a business.

(3) The Regulator may either—

(a) by notice in writing given to the Person Concerned, require the Person Concerned to provide the Regulator with a report on the Matter Concerned; or

(b) itself appoint a person to provide the Regulator with a report on the Matter Concerned.
When acting under subsection (3)(a), the Regulator may require the report to be in such form as may be specified in the notice.

The Regulator must give notice of an appointment under subsection (3)(b) to the Person Concerned.

The person Appointed to make a report—

(a) must be a person appearing to the Regulator to have the skills necessary to make a report on the Matter Concerned; and

(b) where the appointment is to be made by the Person Concerned, must be a person nominated or approved by the Regulator.

It is the duty of—

(a) the Person Concerned; and

(b) any person who is providing (or who has at any time provided) services to the Person Concerned in relation to the Matter Concerned;

to give the person Appointed to prepare a report such assistance as the Appointed person may reasonably require.

The obligation imposed by subsection (7) is enforceable, on the application of the Regulator, by an injunction.

The Regulator may make Rules providing for expenses incurred by it in relation to an appointment under subsection (3)(b) to be payable as a fee by the Person Concerned.

Appointment of skilled person to collect and update information

This section applies if the Regulator considers that an Authorised Person or Recognised Body ("A") has contravened a Rule made by the Regulator to collect, and keep up to date, information of a description specified in the Rules.

The Regulator may either—

(a) require A to appoint a skilled person to collect or update the information; or

(b) itself appoint a skilled person to do so.

References in this section to a skilled person are to a person—

(a) who appears to the Regulator to have the skills necessary to collect or update the information in question; and

(b) where the appointment is to be made by A, nominated or approved by the Regulator.

The Regulator must notify A of an appointment under subsection (2)(b).

The skilled person may require any person to provide all such assistance as the skilled person may reasonably require to collect or update the information in question.
A requirement imposed under subsection (5) is enforceable, on the application of the Regulator, by an injunction.

A contractual or other requirement imposed on a person ("P") to keep any information in confidence does not apply if—

(a) the information is or may be relevant to anything required to be done as a result of this section;

(b) A or a skilled person requests or requires P to provide the information for the purpose of securing anything required to be done as a result of this section is done; and

(c) the Regulator has approved the making of the request or the imposition of the requirement before it is made or imposed.

A may provide information (whether received under subsection (7) or otherwise) that would otherwise be subject to a contractual or other requirement to keep it in confidence if it is provided for the purposes of anything required to be done as a result of this section.

The Regulator may make Rules providing for expenses incurred by it in relation to an appointment under subsection (2)(b) to be payable as a fee by A.

Investigations

205. Commencement of Investigations

If it appears to the Regulator that there is good reason for doing so, the Regulator may commence an investigation into—

(a) the nature, conduct or state of the Business of an Authorised Person or Recognised Body;

(b) a particular aspect of that Business;

(c) the ownership or control of an Authorised Person or Recognised Body; or

(d) a matter reasonably requested to be investigated pursuant to a request made under section 217.

If the Regulator reasonably suspects that a person may have committed a contravention of these Regulations, the Regulator may commence an investigation into the matter.

The Regulator may appoint one or more competent persons as Investigators to conduct an investigation on its behalf.

The Regulator may but need not give written notice of the commencement of an investigation to the Person Under Investigation.

If an Investigator thinks it necessary for the purposes of his investigation under subsections (1) or (2), he may also investigate the Business of a person who is or has, at any relevant time, been—

(a) a member of the Group of which the Person Under Investigation ("A") is part; or
(b) a Partnership of which A is a member.

(6) The power conferred by subsection (1)(a) to (c) may be exercised in relation to a former Authorised Person or former Recognised Body but only in relation to—

(a) Business carried on at any time when he was an Authorised Person or Recognised Body; or

(b) the ownership or control of a former Authorised Person or Recognised Body at any time when he was an Authorised Person or Recognised Body.

(7) Nothing prevents the Regulator from appointing a person who is a member of its staff as an Investigator under this section.

(8) References in subsection (1) to a Recognised Body do not include references to a Non-Abu Dhabi Global Market Recognised Investment Exchange.

206. **Powers of Investigators**

(1) The Investigator may, by written notice, require the person who is the Person Under Investigation or any other person (whether or not connected to the Person Under Investigation) to—

(a) attend an interview at a Specified time and place and answer questions;

(b) produce at a Specified time and place any Specified Documents or Documents of a Specified description;

(c) provide such information as the Investigator may require;

(d) provide such assistance as the Investigator may require; or

(e) permit the Investigator to enter the business premises of such person during normal business hours for the purpose of inspecting and copying Documents on such premises.

(2) A requirement under subsection (1) may be imposed only so far as the Investigator reasonably considers the interview, question, production of the Document, provision of information, provision of assistance or permission of entry to be relevant to the purposes of the investigation.

(3) Where the Investigator exercises its power under subsection (1)(e) to enter business premises, it may—

(a) require any appropriate person to make available any relevant information stored at those premises for inspection or copying;

(b) require any appropriate person to convert any relevant information into a form capable of being copied; and

(c) use the facilities of the occupier of the premises, free of charge, to make copies.
(4) Where the Investigator exercises its power under subsection (1)(a) to conduct an interview, it may give a Direction—

(a) concerning who may be present;

(b) preventing any person present during any part of the interview from disclosing to any other person any information provided to the interviewee or questions asked by the interviewer during the interview;

(c) concerning the conduct of any person present, including as to the manner in which they will participate in the interview;

(d) requiring the interviewee to swear an oath or give an affirmation that the answers of the interviewee will be true; and

(e) requiring the interviewee to answer any questions relevant to the investigation.

(5) Subject to section 210(3), it is not a reasonable excuse for a person to refuse or fail to—

(a) permit inspection and copying of any information or Document;

(b) give or produce, or procure the giving or production of, any information or Document; or

(c) answer questions;

pursuant to any requirement under sections 201, 203 and 206(1)(a), (b), (c) and (e) on the grounds that any such information or Document or answer, as the case may be—

(d) might tend to incriminate the person; or

(e) is, or contains, or might reveal a communication made in confidence (subject to section 209(6)).

207. Admissibility of statements made to Investigators

(1) A statement made to an Investigator by a person in compliance with an Information Requirement under these Regulations is admissible in evidence in any proceedings, so long as it also complies with any requirements governing the admissibility of evidence in the circumstances in question.

(2) The Investigator shall not disclose a statement made by a person in answer to any question asked pursuant to a requirement made of the person under section 206(1)(a) to any law enforcement agency for the purpose of criminal proceedings against the person unless—

(a) the person consents to the disclosure; or

(b) the Regulator is required by law or court order to disclose the statement.

208. Costs of an investigation

(1) Subject to subsection (2) and section 235, the Regulator shall be responsible for the costs and expenses of an investigation.
Where, as a result of an investigation under this Part, a person is found by the Court to have committed the contravention of these Regulations which is the subject matter of the investigation, the Court may order, on application brought by the Regulator, that the person pay or reimburse the Regulator in respect of the whole, or a specified part of, the costs and expenses of the investigation, including the remuneration of any person involved in the investigation.

The Court may make an order under subsection (2), on an application by the Regulator, whether or not the person has commenced, or intends to commence, a reference, appeal or other proceeding in relation to a decision of the Regulator.

The Regulator may apply to the Court for an order under subsection (2) only where there are proceedings before the Court relating to the alleged contravention by the person.

The Regulator may enter into any agreement regarding costs with the Person Under Investigation.

Information and Documents: supplemental provisions

General requirements to supply information and Documents

If a Document is produced in response to a requirement imposed under this Part, the person to whom it is produced may—

(a) take copies or extracts from the Document; or

(b) require the person producing the Document, or any Relevant Person, to provide an explanation of the Document.

A Document so produced may be retained for so long as the person to whom it is produced considers that it is necessary to retain it (rather than copies of it) for the purposes for which the Document was requested.

If the person to whom a Document is so produced has reasonable grounds for believing—

(a) that the Document may have to be produced for the purposes of any legal proceedings; and

(b) that it might otherwise be unavailable for those purposes;

it may be retained until the proceedings are concluded.

If a person who is required under this Part to produce a Document fails to do so, the Regulator or an Investigator may require him to state, to the best of his knowledge and belief, where the Document is.

If a person claims a lien on a Document, its production under this Part does not affect the lien. A person is not entitled to claim a lien on any Documents as a basis for failing to comply with a requirement made under this Part.

No person may be required under this Part to disclose information or produce a Document in respect of which he owes an obligation of confidence by virtue of carrying on the Regulated Activity of Accepting Deposits unless—
(a) he is the Person Under Investigation or a member of that person's Group;

**Limitation on powers to require Documents**

(1) Where there are any grounds for withholding any Protected Items or privileged materials, such grounds shall apply only to the relevant parts of the Document which are affected by such grounds and not to any other part of the Document.

(2) A lawyer may be required under this Part to furnish the name and address of his client.

(3) Where the Regulator requires a lawyer to give information or to produce a Document or to answer a question, and the giving of the information or the production of the Document or the answer to the question would involve disclosing a Privileged Communication made by, on behalf of, or to, the lawyer in his capacity as a lawyer, the lawyer is entitled to refuse to comply with the requirement unless—

(a) where the person to whom, or by, or on behalf of whom, the communication was made is a Body Corporate that is subject to a Winding-Up, the liquidator of the body consents to the lawyer complying with the requirement; or

(b) otherwise, the person to whom, or by, or on behalf of whom, the communication was made consents to the lawyer complying with the requirement.

(4) Where a lawyer so refuses to comply with a requirement, he shall, as soon as practicable, give to the Regulator a written notice setting out—

(a) where the lawyer knows the name and address of the person to whom, or by whom, or on behalf of whom, the communication was made, then that name and address; and

(b) where the requirement to give information or produce a Document relates to a communication which was made in writing, then sufficient particulars to identify the Document containing the communication.

(a) in connection with the giving of legal advice to the client; or

(b) in connection with, or in contemplation of, legal proceedings and for the purposes of those proceedings.

(4) A communication or item is not a Protected Item if it is held with the intention of furthering a criminal purpose.

212. **Entry of premises under Court order**

(1) The Court of First Instance may issue an order under this section if satisfied on information on oath given by the Regulator or an Investigator that there are reasonable grounds for believing that the first, second or third set of conditions is satisfied.

(2) The first set of conditions is—

(a) that a person on whom an Information Requirement has been imposed has failed (wholly or in part) to comply with it; and

(b) that on the premises specified in the order—

(4) The third set of conditions is—

(a) that a contravention mentioned in section 205(2) has been (or is being) committed by any person;

(c) that an Information Requirement could be imposed in relation to those Documents or information; and

(d) that if such a requirement were to be imposed—

(i) it would not be complied with; or

(ii) the Documents or information to which it related would be removed, tampered with or destroyed.

(5) An order under this section shall authorise the person named in the order—

(a) to enter the premises specified in the order;

(b) to search the premises and take possession of any Documents or information appearing to be Documents or information of a kind in respect of which an order under this section was issued (the "Relevant Kind") or to take, in relation to any such Documents or information, any other steps which may appear to be necessary for preserving them or preventing interference with them;

(c) to take copies of, or extracts from, any Documents or information appearing to be of the Relevant Kind;

(d) to require any person on the premises to provide an explanation of any Document or information appearing to be of the Relevant Kind or to state where it may be found; and

213. Retention of Documents taken under section 212

(1) Any Document of which possession is taken under section 212 (a “Seized Document”) may be retained so long as it is necessary to retain it (rather than copies of it) in the circumstances.

(2) A person claiming to be the owner of a Seized Document may apply to the Court of First Instance for an order for the delivery of the Document to the person appearing to the Court of First Instance to be the owner.

(3) If on an application under subsection (2) the Court of First Instance cannot ascertain who is the owner of the Seized Document the Court of First Instance may make such order as it thinks fit.

(4) An order under subsection (2) or (3) does not affect the right of any person to take legal proceedings against any person in possession of a Seized Document for the recovery of the Document.

(5) Any right to bring proceedings (as described in subsection (4)) may only be exercised within six months of the date of the order made under subsection (2) or (3).

214. Certification of defaults

(1) If a person other than the Investigator (the “Defaulter”) fails to comply with a requirement imposed on him under this Part the person imposing the requirement may certify that fact in writing to the Court of First Instance.

(2) If the Court of First Instance is satisfied that the Defaulter failed without reasonable excuse to comply with the requirement, it may deal with the Defaulter (and in the case of a Body Corporate, any Director or other Officer) as if he were in contempt.

(3) A person who knows or suspects that an investigation is being or is likely to be conducted under this Part shall not knowingly—

(a) falsify, conceal, destroy or otherwise dispose of a Document which he knows or suspects is or would be relevant to such an investigation; or

216. Exercise of power in support of Non-Abu Dhabi Global Market Regulator

(1) The Regulator's Own-Initiative Powers may be exercised in respect of an Authorised Person at the request of, or for the purpose of assisting, a Non-Abu Dhabi Global Market Regulator.

(2) If a request to the Regulator for the exercise of its Own-Initiative Powers has been made by a Non-Abu Dhabi Global Market Regulator, the Regulator must, in deciding whether or not to exercise those powers in response to the request, consider whether it is necessary to do so.

(3) In deciding whether or not to do so, in any case in which the Regulator does not consider that the exercise of its Own-Initiative Powers is necessary, it may take into account in particular—

(a) whether in the country, territory or jurisdiction of the Non-Abu Dhabi Global Market Regulator concerned, corresponding assistance would be given to the Regulator;

(b) whether the case concerns the breach of a law, or other requirement, which has no close parallel in the Abu Dhabi Global Market or involves the assertion of a jurisdiction not recognised by the Abu Dhabi Global Market;

252. Publication

(1) A warning notice can only be published following a written agreement allowing Publication entered into between the Regulator and the person to whom the notice was addressed.

(2) Where the Regulator and the person to whom the notice was addressed have not agreed to publish the warning notice in accordance with subsection (1), neither the Regulator nor a person to whom the notice is given or copied may publish the notice or any details concerning it.

(3) A decision notice, final notice or any other notice in relation to the exercise of the Regulator’s powers (other than a warning notice), and details about the matter to which such notice relates, may be published by the Regulator at its discretion.

(4) A person to whom a notice specified in subsection (3) is given or copied may not publish the notice or any details concerning it unless the Regulator has published the notice or those details in accordance with its power in subsection (3).

(c) detrimental to the stability of the Abu Dhabi Global Market Financial System.

(6) Any information published under this section is to be so published in such manner as the Regulator considers appropriate.

(b) the matter has been referred to the Regulatory Committee (or a decision of the Regulatory Committee in relation to the matter has been appealed to the Appeals Panel) but has not been dealt with.

Third Party rights and access to evidence

253. Application of sections 254 and 255

Sections 254 and 255 apply to—
(a) a warning notice given in accordance with section 246(1)(e), (g), (n), (r), (s), (t), (u), (w), (x), (y) or (z); and

(b) a decision notice given following a warning notice falling within paragraph (a) and in relation to the same matter as the warning notice.

254. Third Party rights

(1) If any of the reasons contained in a warning notice to which this section applies relates to a matter which—

(a) identifies a person (the "Third Party") other than the person to whom the notice is given; and

(b) in the opinion of the Regulator, is prejudicial to the Third Party;

a copy of the notice must be given to the Third Party.

(2) Subsection (1) does not require a copy to be given to the Third Party if the Regulator—

(a) has given him a separate warning notice in relation to the same matter; or

(b) gives him such a notice at the same time as it gives the warning notice which identifies him.

(3) The notice copied to a Third Party under subsection (1) must specify a reasonable period within which he may make representations to the Regulator.

(4) If any of the reasons contained in a decision notice to which this section applies relates to a matter which—

(a) identifies a person (the "Third Party") other than the person to whom the decision notice is given; and

(b) in the opinion of the Regulator, is prejudicial to the Third Party;

a copy of the notice must be given to the Third Party.

(5) If the decision notice was preceded by a warning notice, a copy of the decision notice must (unless it has been given under subsection (4)) be given to each person to whom the warning notice was copied.

(6) Subsection (4) does not require a copy to be given to the Third Party if the Regulator—

(a) has given him a separate decision notice in relation to the same matter; or

(b) gives him such a notice at the same time as it gives the decision notice which identifies him.

(7) Neither subsection (1) nor subsection (4) requires a copy of a notice to be given to a Third Party if the Regulator considers it impractical to do so.

(8) Subsections (9) to (11) apply if the person to whom a decision notice is given has a right to refer the matter to the Regulatory Committee.
(9) A person to whom a copy of the notice is given under this section may refer to the Regulatory Committee—

(a) the decision in question, so far as it is based on a reason of the kind mentioned in subsection (4); or

(b) any opinion expressed by the Regulator in relation to him.

(10) The copy must be accompanied by an indication of the Third Party's right to make a reference under subsection (9).

(11) A person who alleges that a copy of the notice should have been given to him, but was not, may refer to the Regulatory Committee the alleged failure and—

(b) any opinion expressed by the Regulator in relation to him.

(12) Section 255 applies to a Third Party as it applies to the person to whom the notice to which this section applies was given, in so far as the material to which access must be given under that section relates to the matter which identifies the Third Party.

(13) A copy of a notice given to a Third Party under this section must be accompanied by a description of the effect of section 255 as it applies to him.

(14) Any person to whom a warning notice or decision notice was copied under this section must be given a copy of a Notice of Discontinuance applicable to the proceedings to which the warning notice or decision notice is related.

255. Access to Regulator material

(a) allow him access to the material on which it relied in making the decision which gave rise to the obligation to give the notice;

(b) allow him access to any Secondary Material which, in the Regulator's opinion, might undermine that decision.

(2) But the Regulator giving the notice does not have to allow A access to material under subsection (1) if the material is a Protected Item or it—

(a) relates to a case involving a person other than A; and

(b) was taken into account by the Regulator in A's case only for purposes of comparison with other cases.

(3) The Regulator may refuse A access to particular material which it would otherwise have to allow him access to if, in its opinion, allowing him access to the material—

(a) would not be in the public interest; or
would not be fair, having regard to—

(i) the likely significance of the material to A in relation to the matter in respect of which he has been given a notice to which this section applies; and

(ii) the potential prejudice to the commercial interests of a person other than A which would be caused by the material's disclosure.

(4) If the Regulator does not allow A access to material because it is a Protected Item, it must give A written notice of—

(a) the existence of the Protected Item; and

(b) the Regulator's decision not to allow him access to it.

(5) If the Regulator refuses under subsection (3) to allow A access to material, it must give him written notice of—

(b) by two or more persons who include a person not directly involved in establishing that evidence.
